No Argument for God John Wilkinson, 2011-01-28 Seeking to get beyond the gridlock of apologetic arguments John Wilkinson argues that while Christianity is not unreasonable it is not merely reasonable either He calls Christians to reserve for God s wisdom which often looks to the human brain like foolishness the role of vindicating and authenticating faith

The Christian Science Journal , 2003 **The God Hater** Bill Myers, 2010-09-28 A cranky atheistic philosophy professor loves to shred the faith of incoming freshmen He is chosen by a group of scientists to create a philosophy for a computer generated world exactly like ours Much to his frustration every model he introduces from Darwinism to Existentialism to Relativism to Buddhism fails The only way to preserve the computer world is to introduce laws from outside their system through a Law Giver Of course this goes against everything he s ever believed and he hates it But even that

doesn't completely work because the citizens of that world become legalists and completely miss the spirit behind the Law. The only way to save them is to create a computer character like himself to personally live and explain it. He does. So now there are two of him: the one in our world and the one in the computer world. Unfortunately, a rival has introduced a virus into the computer world. Things grow worse until our computer world professor sees the only way to save his world is to personally absorb the virus and the penalty for breaking the Law. Of course, it's clear to all, including our real world professor, that this act of selfless love has become a reenactment of the Gospel. It is the only possible choice to save their computer world, and as he finally understands our own Christian Science Sentinel, 1976 *A Father's Love* Jean DeFreese Moore, 2021-03-30 *A Father's Love* by Jean DeFreese Moore _____ *Our Young People*, 1930 Conversations with God Monty Joynes, St. Leger Joynes, Neale Donald Walsch, 2006. From the angry letter to God that started it all to the international phenomenon, the book became the film. Follows Neale Donald Walsch's meteoric transformation from a homeless man living in a tent to a spiritual guru with more than seven million books sold.
