*10 Treasure Legends! Louisiana National Treasure Society*, Cacheology Society of America, 2014-02-05. Is Treasure really out there? A resounding YES! Over 14 trillion dollars of it. Then why is Treasure Hunting considered to be a dirty word and said in hushed tones? Why does so much of society not want people hunting for Lost Treasures and Treasure Legends? The reasoning is simple: Many people DO NOT want to see other people successful and rich beyond their wildest dreams. But now more than ever, Treasure after Lost Treasure is being recovered. Thanks to better technology, better research tools, and that good ol' American Spirit and Determination, 10 Treasure Legends is a simple book series: One book for each State in the United States. The 10 Treasure Legends inside this work are legends of buried or lost treasure and fortunes. If you are willing to separate fact from fiction, who knows? You might be the one to find them and make history. These Treasure Legends have been around a long time, and time after time, people have wanted to or claimed to go after them, but the truth is they are still lost and out there for someone like you to find. Not a lot of technical, how-to, or educational mumbo-jumbo in this series; only the legends, as best as the legends can be retold. But there are some tools included should you get excited and decide to research, investigate, and either prove or disprove these Treasure Legends for yourself.
