Star Gazing Jackie Stacey, 2013-11-05 In a historical investigation of the pleasures of cinema Star Gazing puts female spectators back into theories of spectatorship Combining film theory with a rich body of ethnographic research Jackie Stacey investigates how female spectators understood Hollywood stars in the 1940 s and 1950 s Her study challenges the universalism of psychoanalytic theories of female spectatorship which have dominated the feminist agenda within film studies for over two decades Drawing on letters and questionnaires from over three hundred keen cinema goers Stacey investigates the significance of certain Hollywood stars in women s memories of wartime and postwar Britain Three key processes of spectatorship escapism identification and consumption are explored in detail in terms of their multiple and changing meanings for female spectators at this time Star Gazing demonstrates the importance of cultural and national location for the meanings of female spectatorship giving a new direction to questions of popular culture and female desire

Treasured Memories Patsy Turner-Ruffin, 2018-08-31 Treasured Memories By Patsy Turner Ruffin

There are a lot of books in the world and a lot of different types of books This is a book of quotations intended to give the reader a sense of warmth appreciation and wisdom from the Bible as well as a chuckle here and there Oh and it s a very good conversation piece The author feels this generation has lost so many values and she prays for everyone We have not been short of God s blessings However so many people don t take time to give Him thanks and praise Well the author gives Him thanks for the wisdom that our parents grandparents and others shared with us The things they used to say were wise funny and a lot of it came from God s word This is a book of legacy that the author was inspired by God to write It is not about superstition it s just plain truth Things our ancestors used to say like Who wouldn t serve a God like that is contained within these pages and so much more The author also explains what each expression means and how valuable each expression is based on God s word The author prays you will be richly blessed **That's What She Said** Julie Ann
