Lawyer Rodney A. Smolla, 2020-05-15 In the personal and frank *Confessions of a Free Speech Lawyer* Rodney A Smolla offers an insider s view on the violent confrontations in Charlottesville during the summer of hate Blending memoir courtroom drama and a consideration of the unhealed wound of racism in our society he shines a light on the conflict between the value of free speech and the protection of civil rights Smolla has spent his career in the thick of these tempestuous and fraught issues from acting as lead counsel in a famous Supreme Court decision challenging Virginia s law against burning crosses to serving as co counsel in a libel suit brought by a fraternity against Rolling Stone magazine for publishing an article alleging that one of the fraternity s initiation rituals included gang rape Smolla has also been active as a university leader serving as dean of three law schools and president of one and railing against hate speech and sexual assault on US campuses Well before the tiki torches cast their ominous shadows across the nation the city of Charlottesville sought to relocate the Unite the Right rally Smolla was approached to represent the alt right groups Though he declined he came to wonder what his

history of advocacy had wrought Feeling unsettlingly complicit he joined the Charlottesville Task Force and he realized that the events that transpired there had meaning and resonance far beyond a singular time and place Why he wonders has one of our foundational rights created a land in which such tragic clashes happen all too frequently
