## **Wrongly Convicted:**

*The Victimology of a Wrongful Conviction* Nicky Ali Jackson, Kathryn M. Campbell, Margaret Pate, 2022-07-07 This book exposes the myriad of victims of wrongful conviction by going beyond the innocent person who has been wrongfully incarcerated to include the numerous indirect victims who suffer collaterally. In no way overlooking the egregious effects on the wrongfully convicted, this book widens the net to also examine consequences for family, friends, co-workers, witnesses, the initial victims of the crime, and society in general. All indirect victims who are often forgotten in treatments of wrongful conviction. Utilizing interviews of exonerees and indirect victims, the authors capture the tangible and intangible costs of victimization across the board. The prison experience is examined through the lens of an innocent person, and the psychological impact of incarceration for the exoneree is explored. Special attention is given to the often-ignored experience of female exonerees and to the impact of race as a compounding factor in a vast number of miscarriages of justice. The book concludes with an overview of the victimization experiences that follow exonerees upon release. Unique to this book is its interdisciplinary approach to the troubling subject of wrongful conviction, combining perspectives from a number of fields including criminal justice, criminology, victimology, psychology, sociology, social justice, history, political science, and law. Undergraduate and graduate students in these disciplines will find this book helpful in their respective areas of study, and professionals in the legal system will benefit from appreciation of the far-reaching costs of wrongful convictions. **Women**

**and Capital Punishment in the United States** David V. Baker, 2015-11-26 The history of the execution of women in the United States has largely been ignored, and scholars have given scant attention to gender issues in capital punishment. This historical analysis examines the social, political, and economic contexts in which the justice system has put women to death, revealing a pattern of patriarchal domination and female subordination. The book includes a discussion of condemned women granted executive clemency and judicial commutations, an inquiry into women falsely convicted in potentially capital cases, and a profile of the current female death row population. *Presumed Guilty* Martin D. Yant, 2009-12-30 The American

judicial system is far too often a source of injustice for the innocent rather than justice for the guilty. Despite all the alleged protections built into the trial process, a person facing criminal charges is virtually presumed guilty until proven innocent, not the reverse. *Presumed Guilty* is about thousands of innocent Americans who each year are convicted of serious crimes they did not commit. Many are convicted of crimes that did not even occur. Journalist Martin Yant vividly and dramatically explains the process by which American justice is miscarried, providing carefully researched details about more than 100 wrongful convictions. Yant's writing reveals both passion and frustration as he explains how most mistaken convictions could easily be avoided. No criminal justice system is infallible, he writes, but most errors aren't the result of carefully considered decisions that happen to be wrong. He cites examples of outrageous carelessness, investigations that conform facts to predetermined theories, the use of long-discredited investigative techniques, rampant prejudice, and the desire of police and prosecutors to

win convictions at any price even if evidence is fabricated to do so Yant goes on to propose achievable solutions that would not only prevent years of imprisonment for the wrongfully convicted but also save the lives of innocent individuals who face the increasingly used death penalty Presumed Guilty reveals not only how often the American justice system goes awry but how easily and how quickly it is possible to become its victim *Experiencing Imprisonment* Carla Reeves,2016-01-08 The growing body of work on imprisonment desistance and rehabilitation has mainly focused on policies and treatment programmes and how they are delivered *Experiencing Imprisonment* reflects recent developments in research that focus on the active role of the offender in the process of justice Bringing together experts from around the world and presenting a range of comparative critical research relating to key themes of the pains of imprisonment stigma power and vulnerability this book explores the various ways in which offenders relate to the justice systems and how these relationships impact the nature and effectiveness of their efforts to reduce offending *Experiencing Imprisonment* showcases cutting edge international and comparative critical research on how imprisonment is experienced by those people living and working within imprisonment institutions in North America and Northern Central and Eastern Europe as well as Scandinavia The research explores the subjective experience of imprisonment from the perspective of a variety of staff and prisoner groups including juveniles adult female and male prisoners older prisoners sex offenders wrongfully convicted offenders and newly released prisoners Offering a unique view of what it is like to be a prisoner or a prison officer the chapters in this book argue for a prioritisation of understanding the subjective experiences of imprisonment as essential to developing effective and humane systems of punishment This is essential reading for academics and students involved in the study of criminology penology and the sociology of imprisonment It will also be of interest to Criminal Justice practitioners and policymakers around the globe Post-conviction DNA Testing United States. Congress. Senate. Committee on the Judiciary,2001

**Wrongfully Accused** Nora Rock,2006 Easy to read up to the minute accounts of inmates on death row for crimes they did not commit and the efforts to exonerate them before they are executed **Surviving Justice** Voice of Witness,2017-08-01 *Surviving Justice* America's Wrongfully Convicted and Exonerated presents oral histories of thirteen people from all walks of life who through a combination of all too common factors overzealous prosecutors inept defense lawyers coercive interrogation tactics eyewitness misidentification found themselves imprisoned for crimes they did not commit The stories these exonerated men and women tell are spellbinding heartbreaking and ultimately inspiring **Times Law Reports** William Frederick Barry,1928 **The University Magazine and Free Review** ,1900 *Judicial Murder* E.
