21-Day Journal Ilchi Lee,2016-03 In many Asian traditions 21 days is considered a spiritually significant time period Ancient sacred texts often describe the transformation of spiritual figures through 21 days of ascetic discipline Some experts tell us that it takes at least 21 days to create a new habit because of the time required for new neural connections to form in the brain This inherent brain plasticity is the key to our ability to change ourselves and our lives Is there something about yourself that you feel less than satisfied with This journal will help you go through your own transformation one day at a time Journaling helps you clarify your thoughts and feelings and formulate a new understanding of yourself The 21 Day Journal guides you in this self development process helping you set a goal and a course of action It gives you the space to record not only your thoughts and emotions but your plans and evaluations of your progress Learn how to closely watch yourself and learn from your own experience through the lens this journal provides Beautifully designed with uplifting photographs from nature the 21 Day Journal includes an introduction and a foundation for beginning your journey from New York Times bestselling author and self development mentor Ilchi Lee His encouraging quotes are scattered throughout and there are extra blank pages in the back to provide plenty of space for recording your own inspiration

The Daily Practice Journal ,2015-09-22 I was stuck My life was going nowhere I was in a job I didn t really like doing work I didn t care about And to distract myself I was spending money I didn t have on going out and drinking all the time The bills started to pile up I got further and further into debt which meant I had to stay in the job that I didn t like just to afford the monthly payments I was trapped I felt miserable like I was suffocating and my mood began to seriously affect my relationships with the people around me Then I discovered the Daily Practice The brainchild of James Altucher prolific writer and entrepreneur the Daily Practice focuses on improving these four things in your life every day Physical health Mental

health Emotional health Spiritual health James calls these the Four Legs of the Daily Practice each one as crucial as the next By tackling every single one of these every single day and improving even just by 1% James promises that your life will be completely different six months from now What did I have to lose I started doing the Daily Practice in the hope that my life would turn around It did Faster than I could have imagined
