Yage Letters:

The Yage Letters William S. Burroughs, Allen Ginsberg, 1963 **The Yage Letters**, 2013-01-12 William Burroughs closed his classic novel Junky by saying he had determined to search out a drug he called Yage a drug that could be the final fix In *The Yage Letters* a mix of travel writing satire psychedelia and epistolary novel he journeys through South America writing to his friend Allen Ginsberg about his experiments with the strange drug using it to travel through time and space and derange his senses Burroughs letters reveal his desire to escape the norms of American society which hemmed him in and the extraordinary steps he took to break free **The Yage Letters Redux** Allen Ginsberg, William S. Burroughs, 2006-01-05 In January 1953 William Burroughs began a seven month expedition into the jungles of South America ostensibly to find yage the fabled hallucinogen of the Amazon But Burroughs also cast his anthropological satiric eye over the local regimes [The Yage Letters. \[By\] William Burroughs & Allen Ginsberg. \(Drawings by Ginsberg.\). William S. Burroughs, 1963](#) **The Yage Letters Redux** William S. Burroughs, 2004 **The Green Ghost** Chad Weidner, 2016-03-16 Until now much scholarly work on Burroughs has focused on the sensational aspects of his life and on his innovative writing *The Green Ghost* by Chad Weidner uncovers the ecological context of literary texts by William Burroughs By rereading canonical and ignored texts while pushing the boundaries of ecocritical theory and practice Weidner provides a fresh perspective on Burroughs and suggests new theoretical and methodological approaches to understanding the work of other Beat writers Using an ecocritical lens Weidner explores the toxicity in *Naked Lunch* while at the same time teasing out latent ecological questions embedded in Burroughs later works The author's analysis of unknown and miniature cut ups texts that have been disassembled and rearranged to create new passages provides a novel understanding of these cryptic forms Weidner also examines in detail books by Burroughs that have been virtually ignored by critics exposing the deep ecology of the Beat writer's vision In calling attention to Burroughs's narrative strategies that link him to an environmental political position *The Green Ghost* demonstrates that the work of the Beat writer is a ripe source for ecocritical dialogue [Travel and Drugs in Twentieth-Century Literature](#) Lindsey Michael Banco, 2013-01-11 This book examines the connections between two disparate yet persistently bound thematics mobility and intoxication and explores their central yet frequently misunderstood role in constructing subjectivity following the 1960s Emerging from profound mid twentieth century changes in how drugs and travel were imagined the conceptual nexus discussed sheds new light on British and North American responses to sixties counterculture With readings of Aldous Huxley William Burroughs Alex Garland Hunter S Thompson and Robert Sedlack Banco traces twin arguments looking at the ways travel is imagined as a disciplinary force acting upon the creative destabilizing powers of psychedelic intoxication and exploring the ways drugs help construct travel spaces and practices as at times revolutionary and at other times neo colonial By following a sequence of shifting understandings of drug and travel orthodoxies this book traverses fraught and irresistibly linked terrains from the late 1950s up to a period marked

by international postmodern tourism As such it helps illuminate a world where tourism is continually expanding yet constantly circumscribed and where illegal drugs are both increasingly unregulated in the global economy and perceived more and more as crucial agents in the construction of human subjectivity [World Beats](#) Jimmy Fazzino,2016-04-05 This fascinating book explores Beat Generation writing from a transnational perspective using the concept of worlding to place Beat literature in conversation with a far reaching network of cultural and political formations Countering the charge that the Beats abroad were at best naive tourists seeking exoticism for exoticism's sake World Beats finds that these writers propelled a highly politicized agenda that sought to use the tools of the earlier avant garde to undermine Cold War and postcolonial ideologies and offer a new vision of engaged literature With fresh interpretations of central Beat authors Jack Kerouac Allen Ginsberg and William Burroughs as well as usually marginalized writers like Philip Lamantia Ted Joans and Brion Gysin World Beats moves beyond national continental or hemispheric frames to show that embedded within Beat writing is an essential universality that brought America to the world and the world to American literature This book presents an original treatment that will attract a broad spectrum of scholars **William Burroughs and the Secret of Fascination** Harris, Oliver,2003 **The Yage Letters** William Seward Burroughs,1978 [William S. Burroughs,Allen Ginsberg,1982 Written at a turning point in his life when he was kicking drugs in Tangiers writing Naked Lunch and emerging from the literary underworld these letters from Burroughs to his young friend Ginsberg are not only an intimate and diaristic account **Everything Lost** William S.

Burroughs, Geoffrey Dayton Smith, John M. Bennett, 2008 In late summer 1953 as he returned to Mexico City after a seven month expedition through the jungles of Ecuador Colombia and Peru William Burroughs began a notebook of final reflections on his four years in Latin America His first novel Junkie had just been published and he would soon be back in New York to meet Allen Ginsberg and together complete the manuscripts of what became The Yage Letters and Queer Yet this notebook the sole survivor from that period reveals Burroughs not as a writer on the verge of success but as a man staring down personal catastrophe and visions of looming cultural disaster Losses that will not let go of him haunt Burroughs throughout the notebook Bits of it keep floating back to me like memories of a daytime nightmare However out of these dark reflections we see emerge vivid fragments of Burroughs fiction and even more tellingly unique primary evidence for the remarkable ways in which his early manuscripts evolved Assembled in facsimile and transcribed by Geoffrey D Smith John M Bennett and Burroughs scholar Oliver Harris the notebook forces us to change the way we see both Burroughs and his writing at a turning point in his literary biography

Colonial Affairs Greg Mullins, 2002 Examining the literature produced by Paul Bowles William Burroughs and Alfred Chester while they were American expatriates in the Moroccan city of Tangier Mullins Evergreen State College reflects on how their writings represented the interaction between sexual politics and colonialism Applying concepts from queer theory and colonial theory he looks at a range of issues swirling around the city where cultures sexualities and politics met with differing levels of power Among these are the Western experience of Morocco as a destination of homosexual tourism sexual tourism as situated in contexts of colonial relationships and financial transactions the equation of colonial relationships with gendered spheres of power and the accommodations of Moroccan society to practices it ostensibly condemned Annotation copyrighted by Book News Inc Portland OR
