Task Force John Parker,2013-02-28 The Royal Navy at the start of the twenty first century had undergone the most remarkable transformation The Fleet is today the smallest since the start of the Napoleonic wars as surface vessels are no

longer viable as a principal line of defence That preserve is now in the hands of Britain s nuclear armed submarine fleet well chronicled in THE SILENT SERVICE and the Air Force as outlined in STRIKE COMMAND This book will complete the triangle of our essential military might telling the story of today s sea going ultra mobile rapid reaction missile and aircraft carrying task force John Parker includes personal interviews from the men and women who have served in the Senior Service to bring his story vividly to life *Dragon Boy* Al Rowe,2022-11-03 The idea for the book has been taken from true events during the fantastic life of the author Some of the characters are real and have played a solid role of shaping the author into the man he is today The author met God when he was seven years old The angel Tonghunkas Tan Bonus is real the mother of Jesus Christ is real the author visited with them three to four hours This great event is absolutely true The author s polygraph test will be released in his next book For Whom the Bullets Kill He will also tell readers where heaven truly is what it looks like and much more The events with the dignitaries were real but have been embellished for the excitement and entertainment of the reader Again this book was written to captivate the reader s attention but most importantly covers true events that will enlighten the religious beliefs we Americans are blessed to have freedom to worship every day If my book offends anyone I offer the humblest apologies if my book entertains anyone then all my labors will have been worthwhile I thank God that I am an American and have the right to write what I please I also feel I have earned that right by having fought wars for my country and also for the people while serving as a police officer The American Mercury Henry Louis Mencken,1937
