New Age Capitalism Kimberly J. Lau,2000-04-27 New Age Capitalism examines how Eastern and other non Western traditions have been coopted by Western capitalism Flexible India Shameem Black,2023-12-19 Yoga has offered the Indian state unprecedented opportunities for global media savvy political performance Under Modi it has promoted yoga tourism and staged mass yoga sessions and Indian officials have proposed yoga as a national solution to a range of social problems from reducing rape to curing cancer But as yoga has gone global its cultural meanings have spiraled far and wide In Flexible India Shameem Black travels into unexpected realms of popular culture in English from India its diaspora and the West to explore and critique yoga as an exercise in cultural power Drawing on her own experience and her readings of political spectacles yoga murder mysteries court cases art installations and digital media Black shows how yoga s imaginative power supports diverse political and cultural ends Although many cultural practices in today s India exemplify culture wars between liberal and conservative agendas Flexible India argues that visions of yoga offer a culture peace that conceals without resolving such tensions This flexibility allows states corporations and individuals to think of themselves as welcoming and tolerant while still in many cases supporting practices that make minority populations increasingly vulnerable However as Black shows yoga can also be imagined in ways that offer new tools for critiquing hierarchical structures of power and race Hindu nationalism cultural appropriation and self help capitalism Adipokines—Advances in Research and Application: 2013 Edition ,2013-06-21 Adipokines Advances in Research and Application 2013 Edition is a ScholarlyEditions book that delivers timely authoritative and comprehensive information about Resistin The editors have built Adipokines Advances in Research and Application 2013 Edition on the vast information databases of ScholarlyNews You can expect the information about Resistin in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Adipokines Advances in Research and Application 2013 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> **Neural Mechanisms Underlying Movement-Based Embodied Contemplative Practices** Laura Schmalzl,Catherine E. Kerr,2016-07-05 Relative to the extensive neuroscientific work on seated meditation practices far less studies have investigated the neural mechanisms underlying movement based contemplative practices such as yoga or tai chi Movement based practices have however been found to be effective for relieving the symptoms of several clinical conditions and to elicit measurable changes in physiological neural and behavioral parameters in healthy individuals An important challenge for neuroscience is therefore to advance our understanding of the neurophysiological and neurocognitive mechanisms underlying these observed effects and this Research Topic aims to make

a contribution in this regard It showcases the current state of the art of investigations on movement based practices including yoga tai chi the Feldenkrais Method as well as dance Featured contributions include empirical research proposals of theoretical frameworks as well as novel perspectives on a variety of issues relevant to the field This Research Topic is the first of its kind to specifically attempt a neurophysiological and neurocognitive characterization that spans multiple mindful movement approaches and we trust it will be of interest to basic scientists clinical researchers and contemplative practitioners alike
