

The lifespan of slate roofs

Each type of roof comes with a different lifespan. A roof's lifespan is crucial in determining the roofing material that needs to be selected. Slate roofs are reliable and durable and don't weary with time. However, it is the most expensive of all the other available mediums and doesn't even come with a material warranty, as slate tiles are naturally made.

So how long will it last? It is a popular option among many households and companies that carry out slate roofing in Sydney that you can't find a better roofing material than slate which will last for generations to come. If affordability isn't an issue, My Slate Roofing should be the first and last choice as it offers value-for-money services. Nonetheless, like all material things, a few factors impact the life of your slate roof. Such as:
