*The Fall of Berlin* Ian Baxter, 2019-10-30 A photographic history of Nazi Germany's last days The images are well chosen this reviewer cannot recall having seen any before The NYMAS Review By March 1945 the Red Army had closed in on Berlin Marshal Zhukov with almost a million soldiers and 20 000 tanks and guns at his disposal launched his assault of the Seelow Heights While costly with 30 000 Russians killed it brought the Russian Army to the gates of the capital On April 20 Hitler's fifty sixth birthday Soviet artillery began a massive bombardment of the doomed city The Fuhrer ordered every soldier Hitlerjugend and Volkssturm to fight to the death The house to house fighting that followed was brutal and savage with heavy casualties for both military and civilians Using superb Russian and German imagery this pictorial history describes the Russian assault and Nazi last ditch defense of Hitler

s capital during the final days of the Third Reich [500 Days](#) Sean M. McAteer,2009 **The German Classics: Wassermann, Kellerman, Halbe and others** Kuno Francke,Isidore Singer,1913 **Bloody Streets** A. Stephan Hamilton,2008 Covers in unprecedented detail the planning execution and aftermath of the Soviet assault on Berlin **The Last Panther** Wolfgang Faust,2016-03-17 While the Battle of Berlin in 1945 is widely known the horrific story of the Halbe Kessel remains largely untold In April 1945 victorious Soviet forces encircled 80 000 men of the German 9th Army in the Halbe area South of Berlin together with many thousands of German women and children The German troops desperate to avoid Soviet capture battled furiously to break out towards the West where they could surrender to the comparative safety of the Americans For the German civilians trapped in the Kessel the quest to escape took on frantic dimensions as the terror of Red Army brutality spread The small town of Halbe became the eye of the hurricane for the breakout as King Tigers of the SS Panzer Corps led the spearhead to the West supported by Panthers of the battle hardened 21st Panzer Division Panzer by panzer unit by unit the breakout forces were cut down until only a handful of Panthers other armour battered infantry units and columns of shattered refugees made a final escape through the rings of fire to the American lines This first hand account by the commander of one of those Panther tanks relates with devastating clarity the conditions inside the Kessel the ferocity of the breakout attempt through Halbe and the subsequent running battles between overwhelming Soviet forces and the exhausted Reich troops who were using their last reserves of fuel ammunition strength and hope Eloquent German perspective accounts of World War 2 are surprisingly rare and the recent reissue of Wolfgang Faust s 1948 memoir Tiger Tracks has fascinated readers around the world with its insight into the Eastern Front In The Last Panther Faust used his unique knowledge of tank warfare to describe the final collapse of the Third Reich and the murderous combat between the German and Russian armies He gives us a shocking testament to the cataclysmic final hours of the Reich and the horrors of this last eruption of violence among the idyllic forests and meadows of Germany *Origin and Transformation of the Ancient Israelite Festival Calendar* Jan A. Wagenaar,2005 The book focusses on the origin and transformation of the priestly festival calendar Since the epoch making work of Julius Wellhausen at the end of the 19th century the differences between the various ancient Israelite festival calendars have often been explained in terms of a gradual evolution which shows an increasing historicisation denaturalisation and ritualisation The festivals were in Wellhausen s view gradually detached from agricultural conditions and celebrated more and more at fixed points in the year This study tries to show that the changes in the priestly festival calendar reflect a conscious effort to adapt the ancient Israelite festival calendar to the semi annual layout of the Babylonian festival year The ramifications of the change only come to the fore after a careful study of the agricultural conditions of ancient Israel and Mesopotamia makes clear that passover and the festival of unleavened bread were originally celebrated in the second month of the year The first month of the year envisaged by the priestly festival calendar for the celebration of passover and the festival of unleavened bread in turn mirrors the date of one of the two semi

annual Babylonian New Year festivals The two Babylonian New Year festivals were celebrated exactly six months apart at the vernal and autumnal equinoxes In order to adapt the ancient Israelite festival calendar to the Babylonian scheme with two New Year festivals a year the date of passover and the festival of unleavened bread had to be moved up by one month The consequences for the origin of passover the festival of unleavened bread the festival of weeks and the festival of huts are charted and the relations between the various ancient Israelite festival calendars are determined anew **The British**

allowed his rival Marshal Koniev to intervene The battle thus became a contest for the prize of the Reichstag Meanwhile Hitler and his courtiers sought to continue the struggle in the totally unrealistic atmosphere that prevailed in his bunker while soldiers and civilians alike suffered and perished unheeded all around them In The Battle of Berlin 1945 Tony Le Tissier brings us the definitive history of the last great battle of the Second World War a fight to the death in the smouldering ruins of the capital of Hitler s Third Reich
