

# "FEAR OF SLAVE POWER" changes the Northern perception by 1850

# Slave Power

**Henry Wilson**

## Slave Power:

**The Slave Power: Its Character, Career, and Probable Designs** John Elliott Cairnes, 1862      **History of the Rise and Fall of the Slave Power in America** Henry Wilson, 1874      *The Slave Power* Leonard L. Richards, 2000-08-01

From the signing of the Constitution to the eve of the Civil War there persisted the belief that slaveholding southerners held the reins of the American national government and used their power to ensure the extension of slavery. Later termed the Slave Power theory, this idea was no mere figment of a lunatic fringe's imagination. It was, as Leonard L. Richards shows in this innovative reexamination of the Slave Power endorsed at midcentury by such eminent and circumspect men as Abraham Lincoln, William Henry Seward, Charles Sumner, the editors and owners of the *New York Times* and the *Atlantic Monthly*, and the president of Harvard College. With *The Slave Power*, Richards reopens a discussion effectively closed by historians since the 1920s when the Slave Power theory was dismissed first as a distortion of reality and later as a manifestation of the paranoid style in the early Republic and attempts to understand why such reputable leaders accepted this thesis wholeheartedly as truth and why hundreds of thousands of voters responded to their call to arms. Through incisive biographical cameos and narrative vignettes, Richards explains the evolution of the Slave Power argument over time, tracing the oft-repeated scenario of northern outcry against the perceived slaveocracy followed by still another victory for the South: the three-fifths rule in congressional representation, admission of Missouri as a slave state in 1820, the Indian removal of 1830, annexation of Texas in 1845, the Wilmot Proviso of 1847, the Fugitive Slave Law of 1850, and more. Richards probes inter- and intraparty strategies of the Democrats, Free Soilers, Whigs, and Republicans and revisits national debates over sectional conflicts to elucidate just how the southern Democratic slaveholders, with the help of some northerners, assumed, protected, and eventually lost a dominance that extended from the White House to the Speaker's chair to the Supreme Court. *The Slave Power* reveals in a direct and compelling way the importance of slavery in the structure of national politics from the earliest moments of the federal Union through the emergence of the Republican Party. Extraordinary in its research and interpretation, it will challenge and edify all readers of American history.

[History of the Rise and Fall of the Slave Power in America](#) Henry Wilson, 2023-03-08. Reprint of the original first published in 1872. The publishing house AnatiPosi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

*The Slave Power* John Elliott Cairnes, 2003

*The Slave Power* John E. Cairnes's seminal work on slavery was widely acclaimed upon publication in 1862 as a brilliant attempt both to explain the essential cause of the American Civil War and to shape European policy concerning the struggle. It remains among the most important works on the political economy of Southern slavery. When Cairnes, one of the nineteenth century's preeminent classical liberal economists, characterized Southern slavery as inefficient and backward, his opinions carried enormous weight, earning him applause in the North and castigation in the slave-holding South. Casting the Civil War

as a contest between an economically defunct and politically aggressive Southern slave power and a liberal capitalist free wage labor North Cairnes offered an interpretation of the origins of the Civil War that has remained as compelling and controversial as it was when first published The Slave Power John Elliott Cairnes,1863 **History of the Rise and Fall of the Slave Power in America** Henry Wilson,2023-03-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost History of the Rise and Fall of the Slave Power in America Henry Wilson,1993 The Slave Power Theodore Parker,1916 *The Slave Power* John Elliott Cairnes,1863 **History of the Rise and Fall of the Slave Power in America** Henry Wilson,2023-03-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Slave Power. Its Character, Career and Probable Designs** John Elliott Cairnes,2022-04-28 Reprint of the original first published in 1863 **History of the Rise and Fall of the Slave Power in America: 3** Henry Wilson,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *History of the Rise and Fall of the Slave Power in America* Henry Wilson,Samuel Hunt,2015-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **History of the Rise and Fall of the Slave Power in America** Henry Wilson,1875 **The Slave Power; Its Character, Career, and Probable Designs** John Elliott Cairnes,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free

scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1863 edition Excerpt he loves it Nor are these sentiments confined to the slaveholding minority The all important circumstance is that they are shared equally by the whole white population Far from reprobating a system which has deprived them of the natural means of rising in the scale of humanity they fall in with the prevailing modes of thought and are warm admirers and when need arises effective defenders of an institution which has been their curse To be the owner of a slave is the chief object of the poor white s HOPELESSNESS OF THE SLA VRS POSITION 91 Speech of Mr A H Stephens Vice President of the Southern Confederacy delivered March 1861 ambition quot servos pacit f the one criterion by which he weighs the worth of his envied superiors in the social scale Such has been the course of opinion on the subject of slavery in the Southern States The progress of events far from conducing to the gradual mitigation and ultimate extinction of the system has tended distinctly in the opposite direction to the aggravation of its worst evils and the consolidation of its strength The extension of the area subject to the Slave Power and the increase in the slave population have augmented at once the inducements for retaining the institution and the difficulty of getting rid of it while the ideas of successive generations bred up in its presence and under the influence of the interests to which it has given birth have provided for it in the minds of the people a moral support The result is that the position of the slave in the Southern States at the present time so far as it depends upon the will and power of his masters is in all respects more hopeless than it has ever been in any former age or in any other quarter of the world *The Slave Power; Or, the Spirit of Our Fathers Contrasted with the Spirit of Their Sons* Enoch HOAG,1848 *The Slave Power* J. E. Cairnes,2017-10-17 Excerpt from *The Slave Power Its Character Career and Probable Designs Being an Attempt to Explain the Real Issues Involved in the American Contest* And these means would in all probability suffice for the object To prevent the extension of slavery is in the general opinion of slaveholders to ensure its extine tion It is at any rate the only means by which that object can be effected through the interest of the slaveholders themselves If peaceful and gradual is preferable to sudden and violent emancipation which we grant may in the present case be doubtful this is the mode in which alone it can be effected Further colonization by slaves and slave masters being rendered impossible the process of exhausting the lands fitted for slave cultivation would either continue or would be arrested If it continue the prosperity of the country will progressively decline until the value of slave property was reduced so low and the need of more efficient labor so keenly felt that there would be no motive remaining to hold the negroes in bondage If on the other hand the exhaustive process should be arrested it must be by Means implying an entire renovation economical and social of Southern society There would be needed new modes of cultivation processes more refined and intel lectual and as an indispensable condition laborers more intelligent who must be had either by the introduction of free labor or by the mental improvement of the slaves The masters must resign themselves to become efficient men of business personal and vigilant overseers of their own laborers and would find that in their new circumstances successful industry was impossible without calling in other mo

tivsa than the fear of the lash The immediate mitigation of slavery and the education of the slaves would thus be certain consequences and its gradual destruction by the consent of all concerned a probable one of the mere restriction of its area whether brought about by the subjugation of the Southern States and their return to the Union under the Constitution according to its Northern interpretation or by what Mr Cairnes regards as both more practical and more desirable the recognition of their independence with the Mississippi for their western boundary About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Negro President** Garry Wills, 2005 Moving beyond the recent revisionist debate over Jefferson's own slaves and his relationship with Sally Hemings Wills instead probes the heart of Jefferson's presidency and political life revealing how the might of the slave states remained a concern behind his most important policies and decisions

**The Slave Power** J E Cairnes, 2025-05-22 The Slave Power Its Character Career and Probable Design is a significant historical analysis of the institution of slavery in the United States and its profound influence on American politics and society This work delves into the economic social and political dimensions of slavery examining how it shaped the nation's trajectory leading up to the Civil War J E Cairnes meticulously explores the power dynamics between slaveholders and the broader American populace offering insights into the motivations and strategies employed by the slave power to maintain and expand its reach Cairnes' work provides invaluable context for understanding the complex factors that fueled the conflict and continue to resonate in discussions about race equality and justice A must read for anyone seeking a deeper understanding of this critical period in American history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Eventually, you will unconditionally discover a new experience and feat by spending more cash. nevertheless when? accomplish you assume that you require to get those every needs subsequent to having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more in the region of the globe, experience, some places, once history, amusement, and a lot more?
