Slave Nation:

Slave Nation Alfred W Blumrosen,Ruth G Blumrosen,2006-11-01 A book all Americans should read Slave Nation reveals the key role racism played in the American Revolutionary War so we can see our past more clearly and build a better future In 1772 the High Court in London freed a slave from Virginia named Somerset setting a precedent that would end slavery in England In America racist fury over this momentous decision united the Northern and Southern colonies and convinced them to fight for independence Meticulously researched and accessible Slave Nation provides a little known view of the birth of our nation and its earliest steps toward self governance Slave Nation is a fascinating account of the role slavery played in the American Revolution and in the framing of the Constitution offering a fresh examination of the fight for freedom that embedded racism into our national identity led to the Civil War and reverberates through Black Lives Matter protests today A radical well informed and highly original reinterpretation of the place of slavery in the American War of Independence David Brion Davis Yale University *Slave Nation* Alfred W. Blumrosen,Ruth G. Blumrosen,2006 A chilling history of the profound role that slavery played in the founding of the republic Slave Country Adam ROTHMAN,2009-06-30 Slave Country tells the tragic story of the expansion of slavery in the new United States In the wake of the American Revolution slavery gradually disappeared from the northern states and the importation of captive Africans was prohibited Yet at the same time the country s slave population grew new plantation crops appeared and several new slave states joined the Union Adam Rothman explores how slavery flourished in a new nation dedicated to the principle of equality among free men and reveals the enormous consequences of U S expansion into the region that became the Deep South Rothman maps the combination of transatlantic capitalism and American nationalism that provoked a massive forced migration of slaves into Louisiana Alabama and Mississippi He tells the fascinating story of collaboration and conflict among the diverse European African and indigenous peoples who inhabited the Deep South during the Jeffersonian era and who turned the region into the most dynamic slave system of the Atlantic world Paying close attention to dramatic episodes of resistance rebellion and war Rothman exposes the terrible violence that haunted the Jeffersonian vision of republican expansion across the American continent Slave Country combines political economic military and social history in an elegant narrative that illuminates the perilous relation between freedom and slavery in the early United States This book is essential reading for anyone interested in an honest look at America s troubled past **Christian Supremacy** Magda Teter,2025-03-04 A panoramic cultural and legal history that traces the roots of antisemitism and racism to early Christian theology Since the earliest days of Christianity theologians expressed pervasive anxiety about Jews as equal members of society and with European expansion in the early modern period that anxiety extended to people of color This troubling legacy still haunts us today Christian Supremacy demonstrates how theological and legal frameworks created by the church centuries ago laid the seeds of antisemitism and anti Black racism and reveals why Christian identity lies at the heart of the world s violent white supremacy

movements In a powerful historical narrative spanning nearly two millennia Magda Teter describes how Christian theology of late antiquity cast Jews as children born to slavery and how the supposed theological inferiority of Jews became inscribed into law creating tangible structures that reinforced a sense of Christian domination and superiority With the dawn of European colonialism a distinct brand of European Christian supremacy found expression in the legally sanctioned enslavement and exploitation of people of color later taking the form of white Christian supremacy in the New World Drawing on a wealth of primary evidence ranging from the theological and legal to the philosophical and artistic Christian Supremacy is a profound reckoning with history that traces the roots of the modern rejection of Jewish and Black equality to an enduring Christian heritage of exclusion intolerance and persecution *The Nation*, 1903 **IGBO Is the Humankind Race** NNE NTETE, 2020-01-17 In Genesis 1:27 So God created humankind in his image in the image of God He created them Male and Female Igbo is the short form of IGBODOANYA IGBOSHIKWO IGBOCHIDONKECHINYEREG AND IGBOKWABA These four letter words IGBO were are still the channel whereby humankind replicated s the Lord God s creation from generation to generation after He created Adam the first human The words IGBODOANYA to persevere IGBOSHIKWO to prevent IGBOCHIDONKECHINYEREG to protect what god gave you and IGBOKWABA to preserve are the primary builders as well as facilitators of the gametessex cells when fertilization happens in the fallopian tubes during the formation of humankind The word Igbo is the representation of an indelible precepts of God s constitution as it relates to the creation of humankind The four letter words Igbo is the seal legacy and continuity of the actions of the spoken words that originated from Chinekeng r Chinekeng r means the God that creates DNA or in the popular short form Chineke Chukwu Chukwu means Chiukwu The great God Chukwu is the short version of Chiukwu Chiukwu or Chukwu Okike Abraham Nd Igbo the Igbo people always call upon Chukwu Okike Ab ama Ab ama means Abraham Abraham is Abaraham in Igbo Abaraham means named after me Chineke Chukwu Okike Ab ama means the Almighty God and Creator of Abraham and or God the Creator Nd Igbo the Igbo people b Nd Hebrew the Igbos are the Hebrew Nd Igbo the Igbo people are m Chineke m Chukwu Okike Ab ama m God and or m Yahweh The Igbo people are the special skilled builders of m Chineke or m Chukwu Okike Ab ama the Lord Almighty God Adam was the only human the Lord God created on earth It seemed most likely that the archangels angels as well as Nd Igbo were in existence when At na ime otu d ng z Chineke nna Onye Okike Chukwu nwa Onye Nz p ta na Chukwu Mm Ns kere mmad mb the Holy Trinity God the Father God the Son and God the Holy Ghost the Lord God Almighty created the first human The Lord God assigned to Nd Igbo Igbo people who were one of those that were around Him to always continue to perform His divine special tasks of creation for the benefit of humankind The Lord God b Agbara Ukwu The Lord God kajara akaja The Lord God jiri aka ya d r onwe ya The Lord God enwegh ishi mbido The Lord God enwegh ishi ngw ria The Lord God b onye kere wa na ihe nile d na elu wa The archeologists creationists atheists evolutionists etc believe that humankind originated from a single couple parent source Therefore there should be no such concept as the black race
