**The Same Door** John Updike,2012-09-18 The title of John Updike s first short story collection published when the author was twenty seven alludes to the old superstition that you should enter and leave a house by the same door Thus John Nordholm the alternately shy and brash hero of the first story here is also the narrator of the last Yet there is a sense in which all sixteen of these stories knock at the same door a door that in Dentistry and Doubt swings open and in Toward Evening remains shut The characters are polite nervous diffident as if life or at least youth for they are all young were a discomfiting wait in the anteroom of the absolute The majority of these stories depict encounters between strangers and their unexpected effects which can be as concrete as a roomful of flowers or a bottle of wine or as intangible as a miracle or a dream
