Morris,1980-01-01 Floyd Warner eighty two has driven from California to his childhood home in Nebraska in his antique Maxwell coupe There he confronts the smoldering remains of this late sister s house and the realization that he is now completely alone As though in a trance he sets out once again this time to find his first adult home a dusty sheep farm in the southwest preparing to meet the fate that ultimately awaits him Of such deceptively simple ingredients is this brilliant portrait of the last hours of an old man s life composed Floyd Warner who first appeared in *Fire Sermon* is perhaps the ultimate characterization in the career of a writer who has been called quite simply the best novelist now writing in America John W Aldridge Wright Morris Territory Wright Morris,2011 Reproduced from the 1948 edition of *The Home Place* the Bison Book edition brings back into print an important early work by one of the most highly regarded of contemporary American Writers This account in first person narrative and photographs of the one day visit of Clyde Muncy to the home place at Lone Tree Nebraska has been called as near to a new fiction form as you could get Both prose and pictures are homely worn linoleum an old man s shoes well used kitchen utensils and weathered siding Muncy s journey of discovery takes the measure of the man he has bec **The Loneliness of the Long Distance Writer** Wright Morris,1995 *The Loneliness of the Long Distance Writer* brings together two of Wright Morris s best known novels *The Works of Love* 1951 and *The Huge Season* 1954 *Wright Morris Revisited* Joseph J. Wydeven,1998 Joseph Wydeven provides a fresh biographical and critical introduction to Wright Morris from the perspective of the closure of his career taking into account the obvious aesthetic riches found in his narratives photographic images and combinations of the two One of Morris s principal subjects is the American Dream or more correctly Wydeven says American dreamers those men and women who looked west and saw mythic and metaphysical landscapes upon which they imprinted their vast desires for happiness and success Incorporating a portfolio of Morris s photographs Wydeven suggests that the fiction and photography benefit from being examined in tandem as part of a single aesthetic and complex approach to reality **Wright Morris** Sanders S.
