A Handbook of Translation Studies Bijay Kumar Das, 2005 Like Criticism Translation Is Always A Text About A Text And Hence It Is A Metatext We Translate By Intuition There Is No Science Of Translating Though There Are Scientific Theories Of Translation In This Book The Author Has Made A Thorough Analysis Of Various Aspects Of Translation Studies Both In The East And The West Apart From Making A Background Study Of Translation He Has Analysed Translation As Creative Writing As Linguistic Bridge Building And As Nation Building The Author Has Devoted A Chapter Each To The Important Subjects Theory And Practice Of Translation The Indian Context Comparative Literature And Translation Studies A Correlation The Role Of The Translator A Critique Of Translation Theories And Above All The Place Of Translation In The Twenty First Century In The Global Context This Is An Incisive And Well Researched Book On Translation Studies In Our Country

Translation Studies Susan Bassnett, 2002 In the late 1970s a new academic discipline was born Translation Studies We could not read literature in translation it was argued without asking ourselves if linguistic and cultural phenomena really were translatable and exploring in some depth the concept of equivalence When Susan Bassnett's *Translation Studies* appeared in the *New Accents* series it quickly became the essential introduction to this new subject Susan Bassnett tackles the crucial problems of translation and offers a history of translation theory beginning with the ancient Romans and encompassing key twentieth century structuralist work She then explores specific problems of literary translation through a close practical analysis of texts and completes her book with extensive suggestions for further reading Twenty years after publication the field of translation studies continues to grow Updated for the second time Susan Bassnett's *Translation Studies* remains essential reading for anyone new to the field

Why Translation Studies Matters Daniel Gile, Gyde Hansen, Nike Kocijan, Pokorn, 2010-01-01 Whether Translation Studies really matters is an important and challenging question which practitioners of translation and interpreting raise repeatedly TS scholars many of whom are translators and interpreters themselves are not indifferent to it either The twenty papers of this thematic volume contributed by authors from various parts of Europe from Brazil and from Israel address it in a positive spirit Some do so through direct critical reflection and analysis arguing in particular that the engagement of TS with society should be strengthened so that the latter could benefit more from the former Others illustrate the relevance and contribution of TS to society and to other disciplines from various angles Topics broached include the cultural mediation role of translators issues in literary translation knowledge as intellectual capital globalization through English and risks associated with it bridging languages mass media corpora training the use of modern technology interdisciplinarity with psycholinguistics and neurophysiology

Handbook of Translation Studies Yves Gambier, Luc van Doorslaer, 2010-10-28 As a meaningful manifestation of how institutionalized the discipline has become the new *Handbook of Translation Studies* is most welcome The HTS aims at disseminating knowledge about translation and interpreting to a relatively broad audience not only students who often adamantly prefer
