Profile of a Religious Man Edwin Zackrison,2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our

organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with **White lies.
