*The Female Paradigm* IGNACIO IRIARTE Y ALEXANDER IRIARTE,2011-03-11 From a historical perspective we argue that since the beginning of time males have done a very poor job as leaders of societies Since recorded history more than fourteen thousand wars have been fought on this planet and the level of destruction waste and human suffering is incalculable We believe that by replacing most of the male world leaders with female leaders we could solve or drastically reduce many of the problems afflicting humanity We propose that females with their less aggressive nature could manage to replace the obscene amount of energy and resources used for weapons and military purposes in exchange for social and educational programs that would solve world problems such as poverty and famine and promote world peace

**The Ufo-Christianity Connection** Fred R. David,2010-11-15 For many centuries science and religion have remained staunchly independent Whenever issues have developed that simultaneously touched on both areas debate often ensued for example when scientists first proposed that the earth revolved around the sun or when the theory of evolution was proposed There has always been a cultural disconnect between science and religion that has caused dissention and distrust Research conducted by author Fred R David however reveals that the missing link between science and religion may be UFOs or more specifically the beings inside those crafts The UFOChristianity Connection Fact or Fiction reveals that UFOs played a significant role in how ancient civilizations built megalithic structures and predicted celestial events perfectly brings to life the close association that ancient civilizations had with ancient astronauts whom they called gods or sky people reveals that many events described in ancient writings including the Bible involved UFO encounters gives readers a unique perspective to engage others in discussing angels God UFOs Bigfoot Satan giants the underworld the flood Atlantis and Jesus The scientific information presented here is vital for people of all faiths on all continents Explore the missing link that bridges

**Divine Marriage from Eden to the End of Days** André Villeneuve, 2021-10-12 In *Divine Marriage from Eden to the End of Days* Andre Villeneuve explores the mystery of God's love in the Bible and ancient Jewish tradition Scripture portrays the covenant between God and his people as a divine human marriage spanning through all of human history For the ancient Jewish interpreters God married humanity at the dawn of creation in the Garden of Eden but the union was broken by human sin The Lord restored the relationship when he betrothed Israel at Mount Sinai yet the covenant was wounded again with the transgression of the golden calf The nuptial bond was healed anew commemorated and reenacted through liturgical worship in Israel's tabernacle and temple This worship in God's nuptial chamber in turn anticipated the ultimate fulfillment of the divine human marriage in the messianic age at the end of history The first part of the book explores the marriage through Israel's biblical history in light of ancient Jewish exegesis The second part unveils the marriage in the ancient interpretation of the Song of Songs and in wisdom literature The third part reveals how the same symbolism is taken up in the New Testament and applied to the marriage between Christ and the Church *Books in Print*, 1982 "The Holy Lance"; an Episode of the Crusades and Other Monographs William Stewart Ross, 1890 **Books in Print Supplement**, 1982

desert in late antiquity and its importance for the development of desert asceticism Anzaldúa's theories help guide a reading especially attuned to the important relationship between space and subjectivity **Palestine Exploration Quarterly**, 1883
