Soul Forge:

Alaric Thorne and the Soulforge Amulet Daniel Todd-Norris,2024-11-20 Dragons may be extinct but the evil they fought isn't and it's stirring once more This is what the young scholar Alaric Thorne knows as he combs the Library of Alexandria for a glimmer of hope in the looming conflict He learns that although the dragons may be gone that doesn't mean they're truly lost forever Some part of them remains in the ruins of the city they died to protect buried and bound to a long lost artifact the Soulforge Amulet When Alaric sets out to uncover this powerful artifact he'll find that even benevolent power comes at a cost To claim it he must merge his body his mind and his very soul with what remains in the amulet He must become something more leaving his humanity behind to serve as a beacon of hope in this darkest hour Emerging from those ancient ruins Alaric has all the power he needs to protect his world from the coming darkness Yet will he be able to bear the cost of his power and the struggle of the coming trials If his newfound allies and friends prove true and trustworthy they may just be able to carry each other through and save not only their world but also each other *Sintram* Helen Leslie,1901

archetypal in nature and represent the parts of our personalities emerging during the entire journey Here you will find answers to questions such as What exactly is the machinery of the Universe and What does it mean to walk between worlds Along the way the reader will find many opportunities to test their resolve Will you get lost in the Pool of Mirrors or find yourself stuck on grandmother s porch watching the world go by Wouldn t it be easier than following a path into the unknown darkness beyond So many questions so much to experience and this book will walk the reader through this difficult journey to a powerful transformation When all seems lost the way appears ahead What price will you pay to know What will you gain *AB Bookman's Weekly* ,1994
