

A horizontal wooden plank with a natural, light brown finish and visible wood grain. The plank is centered against a dark, textured background. The words "soul purpose" are written across the middle of the plank in a black, stylized, gothic-style font with a white outline. The text is slightly shadowed to give it a three-dimensional appearance as if it's floating or attached to the wood.

The Freedom Transmissions Carissa Schumacher,2021-11-30 Channeled Transmissions from Yeshua offering evolved authentic and original wisdom for the deepest realization of truth love and peace through balance liberation and transcendence from the burdens that anchor us to suffering and fear As a child Carissa Schumacher was told by an angelic presence that she would be a channel for Yeshua of Nazareth She did not know what that meant at the time nor the impact it would eventually have on her life and countless others After devoting much of her life to service as an intuitive

guide and spirit medium in late 2019 Yeshua's Divine Presence suddenly came through her channel for the first time. Over the next months Yeshua shared his timely universal and revelatory messages. *The Freedom Transmissions* is the result. This singular book offers a pathway to peace by following the Four Elements of Balance: Simplicity, Stability, Surrender, and Stillness. When we embody these four energies we create and attract the most abundance, nourishment, joy, and flow to our lives. *The Freedom Transmissions* unburdens us from unnecessary suffering, strengthens our faith and sense of wholeness, and restores balance and peace, reminding us that we are One with the Divine. The joy of these Transmissions is that they are for all people and not just some people on the basis of beliefs or dogma. Yeshua welcomes in all people who come in humility and a genuine desire to find and know self as One with God. This essential text encourages us to choose Faith over Fear, Forgiveness over Blame, Freedom over Suppression, and ushers us from the era of division and polarity to an era of co-creation, transparency, compassion, and equality.
