

A person is sitting on a wooden bench, viewed from behind, looking out over a vast, hazy landscape of rolling hills and mountains. The scene is bathed in the warm, golden light of a sunset or sunrise, with the sun low on the horizon. The person's silhouette is dark against the bright sky. The text "Mary pondered these things..." is overlaid in a pink, serif font on the person's back.

Things Pondered from a Mother's Heart Lauren Mitchell,Lorey Wetmiller,2013-01-01 Just as Mary treasured up all these things and pondered them in her heart Luke 2 19 I have learned to take the time to treasure my children and see that they are gifts from God They show us truths about him that as adults we have lost the ability to see They are totally unfettered and untainted by our world We assume that they learn from us when in reality we have much to learn from them They model how we are supposed to live I tell you the truth anyone who will not receive the kingdom of God like a little child will never enter it Mark 10 16 All of these reflections are dear to my heart because they are lessons God implanted in my daily life to speak to me They are like hidden treasures to remind me of his presence and plan I thank you Father Lord of heaven and earth that you have hidden these things from the wise and understanding and revealed them to little children Matthew 11 25

Culture and Women's Clubs Thomas Huston Macbride,1916 God's Instructions Walk the Talk Ministries,2012-02 It has been noted that anyone who reads and hears everything written in this book may result in changes in their understanding finances health and anyone around them This book was not written so you can read and hear about all the miracles God did for me On the contrary this book was written solely with the purpose of what God can and will do for you The instructions written in this book are not written so you can read and hear about how God answered my prayers needs and wants The instructions written in this book are all about how God can and will answer all of your prayers needs and wants today tomorrow and forever It wasn t until I took the time to read and hear God s instructions to make all of this possible and not impossible In Mat 19 26 God s word says With God all things are possible And my life has never been the same If you are not happy with the way your life is going or something has been missing and you can quite put your finger on it You are closer than you think Your first step is this book in your hands and only you can change all of this right now I can t do it for You If you take the time to read and hear what God has in these instructions for you your life will never be the same I Love you in the Lord always Brother Roland Things Pondered Beth Moore,1995 **AIM to Be Like JESUS** Mary Ruth

Whitley,2022-11-03 The Bible is God s description of His creation from the beginning of time to the end of time Amid all the pages of wonder and mystery are people like you and me AIM to Be Like Jesus describes the thread God has woven around human lives a thread by which He calls out to mankind His words are simply Here I am I stand by the door and knock If anyone hears my voice and opens the door I will come in and eat with him and he with me Revelation 3 20 While writing the book The BE Attitudes for Christians I very clearly observed the many characters whose lives God has given us as examples It was these characters who inspired me to write my next book AIM to Be Like Jesus There were many characters I could have chosen but I chose people who in my opinion portrayed a unique quality These Bible characters have human attitudes that they purposely chose to use for God This book begins with Abel who was considered righteous because of his pleasing sacrifice to God It ends with Jesus who was righteous perfect and was used as the final sinless sacrifice for mankind The acronym AIM is to help the reader focus on the attitude to be developed instruction about the characters and meditation on Scripture about the characters When characters in the Bible come alive I often wonder Could I be like that Chapter Two

Dr. Ojo Joseph Bamidele,2020-08-06 Who am I What can I know What ought I do We needed to work through the most important spiritual lessons which all of us must learn passion betrayal and forgiveness There is always a wilderness in us It s a very necessary crucial and divine detour to bring us home to ourselves after a lifetime of running away Many of us always want to fast track our lives journey Just because you failed at a relationship doesn t mean you are a failure We have to pass through the wilderness before getting to the promise land There are many stumbling objects on the path Wilderness is a bleak numbing word that instantly calls to mind a feeling of hopelessness nothingness barrenness and most of all a sense of powerlessness There s a reason that the biblical expression the voice of the one crying in the wilderness has come to mean abject abandonment You can wail and gnash your teeth all

you want but in the Wilderness no one hears your heart tearing asunder except God who presumably sent you there Ironically according to ancient legend the word Wilderness didn't conjure up a place of punishment but rather a place of learning spiritual growth understanding healing and accomplishment It referred to a wellspring of Divine energy in the guise of despair hardship and pain your experience in the Wilderness was designed to prepare or propel you toward your destiny Or pry you loose from whatever was keeping you from it Still one does not enthusiastically sign up for the Wilderness cure the way we might for a restorative spell at Mount Everest or a confidence building week in a retreat camp Instead we are usually thrust into the Wilderness by horrific circumstances that not only try our souls but seriously call into question our belief in God In life the smarter you are the more things can scare you but to fear is one thing and to let fear grab you around the tail and swing you around is another What difference does it make if the things you're scared of are real or not You need to navigate your way through fear to achieve your big dream The Israelites of the Old Testament were lucky They wandered in the wilderness for forty years Most of us stumble through trial terror and triumphs of life's terrain a lot longer usually until we're ready willing and able to come face to face with the truth about ourselves But we don't know we're worthy of success until we set out in search of the Promise Land In this book you will also get the insight to Know when to say no Live to fight another day Success is progress Dream big Go the extra mile Who is your role model The down fall of a man Life is a risk Give me another chance Don't give up Pride Goes before a fall Courage to excel Dwelling in Possibilities Making a difference in a chaotic World and many more Get your copy now you will be glad you did There are moments that have made a difference in the trajectory of your life the successes and failure that have define you the loves and hates gains and losses promises and pain that have bound you the risks and ruins tumults and triumphs that set you free This is a unique book indeed Starlight Organization Hon George Adioni Sinclair says learn how to say I am sorry even if you are right If this message offends you in one way or the other I am sorry My apologies Reverend George Blessing The New World ,1897
