**The Thirteen Problems** Agatha Christie, 2010 One Tuesday evening a group gathers at Miss Marple's house and the conversation turns to unsolved crimes. As each of her guests is mystified by the sinister tales they tell one another, the company is inclined to forget their elderly host. But there is a ruthless precision in Miss Marple's pursuit of the killers in each tale and a few surprises in store for *The Tuesday Night Club*. **The Thirteen Problems (Marple)** Agatha

Christie, 2010-10-14 A weekly dinner party. Ten amateur sleuths. *The Tuesday Night Club* murders. *Microbreweries, Nanobreweries, and Brewpubs* Joseph Peter Klapatch, 2023-05-09 In the mid 1980s the American beer market offered far fewer options than what is available today. When microbreweries began to come onto the scene, distributors and retailers were skeptical of their new beers and did not believe that these new American brews would be able to compete with imports. Newer, smaller brewers also had to overcome antiquated laws and strong consumer brand loyalty to major domestic beers. After years of struggles, microbrewers established a foothold in the American beer market, popularized new and previously underappreciated styles, and set the stage for a massive proliferation of nanobreweries across the country. This book takes a look at these microbreweries, prime examples of American enterprise and innovation from an industry outsider's perspective. The author explores a select number of small breweries from around the United States, covering their signature brews, histories, and what it took for them to claim their niches in the marketplace. *Sleuthing Miss Marple* Desirée

Prideaux, 2022-06-15 *Sleuthing Miss Marple* mirrors the structure and playful analytic style of a detective novel. Beginning at the scene of the crime, this investigation places Agatha Christie and the clue puzzle in historical context, casting light on the methods, the motives, and in a sense, the alibis that underpin Christie's crime fiction. In keeping with the clue puzzle analytical method devised for this book, each chapter builds towards a conclusion that delivers a surprising intellectual payoff. This enquiry is unapologetically textual in approach. It constructs a rigorous evidence base drawn from the Marple short stories and novels and presents a useful interpretation of crime fiction scholarship. This provides a foundation for original literary analyses that reveal Christie's engagements with gender roles and genre rules and the sleights of hand that they conceal. Christie's modus operandi is uncovered, as are the narrative strategies and literary devices that she deployed to ambush unwary readers. Crucially, this investigation shows how Christie's ingenious methods made it possible for an elderly spinster to get away with solving murder. *Sleuthing Miss Marple* will be invaluable for students and researchers of crime fiction, twentieth-century literature, and creative writing. **The Thirteen Problems** Agatha Christie, 2000 Miss Jane Marple is

throwing a party and the guests all have a story to tell, thirteen in all, each involving evil deeds and clever deduction. **Secrets from the Agatha Christie Archives** Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries. Dame Agatha Christie reigns supreme as the Queen of Crime. Numerous books have been written about the legendary crime writer, focusing on nearly every aspect of her craft. But until now, no one has

carried out an in depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue In the UK and US Agatha Christie s work was serialized in the most prestigious magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography *Agatha Christie and the Eleven Missing Days* has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life *Illustrated with rare pictures Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century s most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time

**Liminality in Fantastic Fiction** Sandor Klapcsik,2012-01-09 This critical work diversifies Victor Turner s concept of liminality a basic category of postmodernism in which distinct categories and hierarchies are questioned and limits erode Liminality involves an oscillation between cultural institutions genre conventions narrative perspectives and thematic binary oppositions Grounded on this notion the text investigates the liminality in Agatha Christie s detective fiction Neil Gaiman s fantasy stories and Stanislaw Lem s and Philip K Dick s science fiction Through an examination of destabilized norms this analysis demonstrates that liminality is a key element in the changing trends of fantastic texts
