Unconditional Surrender:

Outlook Alfred Emanuel Smith, Francis Walton, 1918 **Victory in War** William C. Martel, 2006-12-25 For millennia policymakers and statesmen have grappled with questions about the concept of victory in war How long does it take to achieve victory and how do we know when victory is achieved And as highlighted by the wars against Afghanistan and Iraq is it possible to win a war and yet lose the peace The premise of this book is that we do not have a modern theory about victory and that in order to answer these questions we need one This book explores historical definitions of victory how victory has evolved and how it has been implemented in war It also subsequently develops the intellectual foundations of a modern pre theory of victory and discusses the military instruments necessary for victory in the twenty first century using case studies that include US military intervention in Panama Libya Persian Gulf War Bosnia Kosovo Afghanistan and Iraq Before the Bomb John D. Chappell, 1997-12-01 Almost forgotten in the haze of events following Nagasaki and Hiroshima the summer of 1945 witnessed an intense public debate over how best to end the war against Japan Weary of fighting the American people were determined to defeat the imperial power that had so viciously attacked them in December 1941 but they were uncertain of the best means to accomplish this goal Certain of victory the inevitable triumph promised by Franklin Roosevelt immediately after Pearl Harbor Americans became increasingly concerned about the human cost of defeating Japan Particularly after the brutal Iwo Jima and Okinawa campaigns syndicated columnists newspaper editorialists radio commentators and others questioned the necessity of invasion A lengthy naval and aerial siege would have saved lives but might have protracted the war beyond the public s patience Advertisers filled the media with visions of postwar affluence even as the government was exhorting its citizens to remain dedicated to the war effort There was heated discussion as well about the morality of firebombing Japanese cities and of using poison gas and other agents of chemical warfare Chappell provides a balanced assessment of all these debates grounding his observations in a wealth of primary sources He also discusses the role of racism the demand for unconditional surrender and the government s reaction to public opinion in the decision to drop the atomic bomb Compelling and controversial this is the first work to examine the confusing and contradictory climate of the American home front in the months leading up to V J Day **On the Road to Total War** Stig Förster, Jorg Nagler, 2002-08-22 On the Road to Total War attempts to trace the roots and development of total industrialised warfare a concept which terrorises citizens and soldiers alike Mass mobilisation of people and resources and the growth of nationalism led to this totalisation of war in nineteenth century industrialised nations In this collection of essays international scholars focus on the social political economic and cultural impact of the American Civil War and the German Wars of Unification **The Outlook** Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1918 Outlook and Independent , 1918 **The Columbia Guide to Hiroshima and the Bomb** Michael Kort, 2007 These primary source documents comprise the largest part of this volume They are organized into seven categories American

civilian documents American military documents MAGIC diplomatic summaries Japanese government and military documents and diary entries Japanese surrender documents the United States Strategic Bombing Survey Summary Report and Interrogations of Japanese Officials and Statements of Japanese Officials on World War II compiled by the Military Intelligence Section of the United States Army BOOK JACKET *The Outlook*, 1918 Bridging the Atomic Divide Harry J. Wray, Seishiro Sugihara, 2018-11-29 Harry Wray and Seishiro Sugihara transcend the one sided Tokyo Trial view of the war in an effort to conduct a balanced exchange on historical perception This will be of interest equally to both those inside and outside Japan who are perplexed by Japan s victimization consciousness Through this impassioned and heartfelt dialogue Wray challenges theories embraced by some Japanese who believe that the US simply used the atomic bombings to make the Soviet Union manageable in the Cold War as alleged by the Hiroshima Peace Museum and in Japanese school history textbooks They ask why it is the Japanese people don t recognize how the atomic bombings not only spared the further sacrifice of American and Japanese lives by accelerating the end of the war but also prevented a wide scale Soviet invasion of the Japanese mainland had the war continued into the latter half of 1945 While early censorship of writings about Hiroshima and Nagasaki both outright and self imposed continued through the Occupation Sugihara proposes that long after the Americans had packed up and gone home the Foreign Ministry established and nurtured a postwar paradigm which rendered open and critical discussion of war related issues such as Pearl Harbor and the atomic bombings impossible for the Japanese public It is no wonder then that Japanese attitudes towards the atomic bombings remain mired in victimization myths Uniquely Wray and Sugihara attempt to persuade the Japanese to reexamine their attitudes to Hiroshima and Nagasaki to show that the atomic bombings perversely brought a swift end to the war and helped Japan escape the act of partition which afflicted postwar Germany and remains an intractable problem in a divided Korea Army Talk, 1944 **New Outlook**, 1918 **Institute of Pacific Relations** United States. Congress. Senate. Committee on the Judiciary, 1951 The World Tomorrow, 1918 *Institute of Pacific Relations* United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1951 Investigates alleged communist control of the publications and international information exchange programs of the Institute of Pacific Relations Also investigates alleged communist attempts to influence U S Far East policy Includes discussion of Communist Party activities in Nazi Germany *Hearings, Reports and Prints of the Senate Committee on the Judiciary* United States. Congress. Senate. Committee on the Judiciary, 1952 **The New World**, 1918 North American Review's War Weekly, 1918 *Transactions* Commonwealth Club of California, 1919 **Reports of Cases Determined by the Supreme Court of the State of Missouri** Missouri.
