Hands-on Palaeontology Stephen K. Donovan, 2021-07-01 A comprehensible reference manual for palaeontologists on many aspects of their science Topics discussed range from the esoteric such as palaeoecology and preservation to the practical such as the storing of specimens and photography *Waterproof Notebook - Lined* Fernhurst Books, 2015-09-08 Spiral bound waterproof notebook ideal for any activity where there might be water or rain One side is lined the other clear for drawings

Starting Fieldwork Judith E. Marti, 2016-09-09 Published posthumously this incisive work represents the culmination of a career anthropologist's passion for teaching and mentoring With a warm reassuring writing style Marti describes fieldwork techniques some of which distinguish anthropology from the other social sciences and all of which are relevant and extraordinarily useful to young researchers with limited experience Her narrative adeptly intertwines the experiences of seasoned anthropologists with those of novices in order to illustrate the various methodological techniques Starting Fieldwork optimizes foundational methods covered in larger works Further it exposes readers to additional contours of the fieldwork enterprise such as participant observation in virtual places museums and archives as field sites the camera as methodology photographs as evidence the importance of note taking and how reflexivity can enhance research Marti's approach to and treatment of the complexities involved in doing fieldwork including discovering the hidden in plain sight will inspire and boost the confidence of prospective fieldworkers
