Current Opinion ... Edward Jewitt Wheeler, Frank Crane, 1901     *School Health* ,1926     **Current Literature** ,1889  
*Africa and the Blues* Gerhard Kubik, 2009-09-23 In 1969 Gerhard Kubik chanced to encounter a Mozambican labor migrant a miner in Transvaal South Africa tapping a cipendani a mouth resonated musical bow A comparable instrument was seen in the hands of a white Appalachian musician who claimed it as part of his own cultural heritage Through connections like these Kubik realized that the link between these two far flung musicians is African American music the sound that became the blues Such discoveries reveal a narrative of music evolution for Kubik a cultural anthropologist and ethnomusicologist Traveling in Africa Brazil Venezuela and the United States he spent forty years in the field gathering the material for *Africa and the Blues* In this book Kubik relentlessly traces the remote genealogies of African cultural music through eighteen African nations especially in the Western and Central Sudanic Belt Included is a comprehensive map of this cradle of the blues along with 31 photographs gathered in his fieldwork The author also adds clear musical notations and descriptions of both African and African American traditions and practices and calls into question the many assumptions about which elements of the blues were European in origin and about which came from Africa Unique to this book is Kubik's insight into the ways present day African musicians have adopted and enlivened the blues with their own traditions With scholarly care but with an ease for the general reader Kubik proposes an entirely new theory on blue notes and their origins Tracing what musical traits came from Africa and what mutations and mergers occurred in the Americas he shows that the African American tradition we call the blues is truly a musical phenomenon belonging to the African cultural world     **A Shower of Verses** Althea Randolph Bedle Rusch, 1914     **The Carolina Play-book of the Carolina Playmakers and the Carolina Dramatic Association** ,1928     The Bohemian ,1908     **Mr. Crook's Method of Facilitating the Recollection of Numbers ...** W. country where murders are commonplace and constant With heart pounding intricate military detail rapier wit and stunning verisimilitude Sharkman Six speaks to the violent urges lurking in us all and the lengths to which we will go to control them In Gavin Kelly West has created an authentic sympathetic and wholly compromised young officer of war who will put you in mind of the best of military heroes and antiheroes **Luther League Review** ,1917 **The Tuftonian** ,1894 *Christian Register and Boston Observer* ,1908 *School Education* ,1911 *Harper's Bazaar* ,1901 **The Home Economist** ,1928 *Collier's Once a Week* ,1927 *Good Housekeeping* ,1887 *Good Housekeeping Magazine* ,1890
