Torduvalle Saskatchewan 1946 Florence has created a beautiful life for herself Her home is immaculate she is a model employee at Pratt s Insurance where she works as a secretary Her hair is the perfect shade of movie star blonde never once does she allow her brown roots to show She dyes them every other Saturday night without fail But one morning everything changes Florence notices a new group of men at the local diner M tis workers from out of town hired on for the season at a nearby farm And one of them has a connection to the past that Florence has spent her entire life outrunning He has one simple request for her Suddenly Florence is thrown back into memories of her life before Suddenly the line between who she once was and who she has chosen to be feels very thin And when Florence learns of the government s plans for the M tis community on the fringes of town she will be faced with a choice one that will shatter her carefully constructed life forever This extraordinary novel asks us what we will do for our community for our families for our friends even at our own expense It examines the harrowing effects of choosing to live as someone else and the radiant peace that comes from finally living one s truth Gripping wrenching and utterly immersive *Wild People Quiet* is a stunning achievement by a remarkable literary talent
