

A person is seen from the side, sitting at a desk in a dimly lit room. They are looking at a laptop and a large external monitor. The laptop screen shows a data visualization with a blue and white color scheme. The external monitor displays a dark-themed code editor with white text on a black background. There are other monitors in the background, one showing a colorful abstract pattern. A mouse and a smartphone are on the desk in front of the person. The overall scene suggests a professional or technical workspace.
