Weldon Kees:

The Collected Poems of Weldon Kees Weldon Kees, 2003-01-01 The Collected Poems of Weldon Kees showcases the dark brilliance of one of America's most fascinating artistic and literary figures Weldon Kees 1914-55 University of Nebraska Press

The Poetry of Weldon Kees John T. Irwin, 2017-05 People who vanish An almost invisible note The excellence of Weldon Kees The dynamics of inferential mention Hart Crane's influence on Kees Kees a learned poet Relating to Robinson's mystery and literary interpretation ***Gedichte, engl*** Weldon Kees, Donald Rodney Justice, 1975 ***Vanished Act*** James Reidel, 2003-01-01 Critic novelist filmmaker jazz musician painter and above all poet Weldon Kees performed practiced and published with the best of his generation of artists the so-called middle generation which included Robert Lowell Elizabeth Bishop and John Berryman His dramatic disappearance a probable suicide at the age of forty-one his movie star good looks his role in various movements of the day and his shifting relationships with key figures in the arts have made him one of the more intriguing and elusive artists of the time In this long-awaited biography James Reidel presents the first full account of Kees's troubled yet remarkably accomplished life Reidel traces Kees's career from his birth in 1914 and boyhood in Beatrice Nebraska to his stint as an award-winning short story writer and novelist his rise as a poet and critic in New York his branching off into abstract expressionism jazz music and theater and his experimental and scientific filmmaking and photography Going beyond the cult status that has grown up around Kees over the years this work fairly and judiciously places him as a cultural adventurer at a particularly rich and significant moment in postwar twentieth-century America

Weldon Kees Jim Elledge, 1985 *Weldon Kees and the Midcentury Generation* Weldon Kees, 2003-06-01 Before he vanished in the fog of San Francisco Weldon Kees 1914-55 was a poet storyteller critic painter musician and filmmaker What remains is a body of work and a large collection of letters that shed light on Kees's complex personality Robert E. Knoll traces the odyssey of a Nebraska boy who made his way in a fiercely competitive national scene befriending the movers and shakers of the art worlds on both coasts Kees's letters satirical witty poetic gossipy intensely individual provide the feel of lives being lived of a career going forth and finally of the darkness that engulfed him when in Knoll's phrase he was ten minutes from triumph *Weldon Kees and the Arts at Midcentury* Daniel A. Siedell, 2003-01-01 Born in 1914 in Beatrice Nebraska and presumed dead in 1955 when he apparently leapt from the Golden Gate Bridge Weldon Kees has become one of the better-known unknown American poets of the twentieth century his fiction and poetry largely kept alive by other poets But Kees was also that rare artist who excelled in many genres and media a skillful painter filmmaker jazz musician and composer He was a gifted critic as well and his criticism bears the marks of his own deep and broad engagement with the arts *Weldon Kees and the Arts at Midcentury* is the first book to reflect the full range and reach of Kees's artistic activities Bringing together writers from various disciplines art historians poets literary critics curators and cultural scholars including Dore Ashton James Reidel Dana Gioia and Stephen C. Foster this volume offers a wide variety of perspectives through which to

evaluate the meaning and significance of Kees's achievement. Although the essays themselves partake of the diversity of Kees's impact on the culture, all agree on one fundamental point: any history of postwar American culture that neglects Kees's multifaceted contribution is ultimately incomplete. Aspects of Robinson Christopher Howell, Christopher Howell, Christopher Buckley, 2011. Kees was, I believe, one of the four or five most talented members of his generation. And this is the great post-modern generation of American poets which includes Robert Lowell, Elizabeth Bishop, John Berryman, Randall Jarrell, and Theodore Roethke. That these other writers are so widely known and discussed while Kees is so forgotten seems strange indeed. Dana Gioia, *The Achievement of Weldon Kees*. **Modern American Poetry: Weldon Kees (1914-1955)**. The Department of English of the University of Illinois at Urbana-Champaign presents information about the life and works of American poet Weldon Kees, 1914-1955, as part of Modern American Poetry MAPS. The information includes descriptions of Kees's work, a biographical sketch, excerpts from letters and fiction by Kees, criticism, and more.

Miscellaneous Articles about Weldon Kees. Weldon Kees, 1977. **SELECTED SHORT STORIES OF WELDON KEES**. *Weldon Kees papers and archives (1940-1955)*. Weldon Kees, 1994. **The Bibliography of Weldon Kees**. Daniel Gillane, Robert Niemi, 1997. **Is Weldon Kees America's Great Forgotten Poet?**, 1979. *For You, For You I Am Trilling These Songs*. Kathleen Rooney, 2009-12-10. In this collection about life as a twentysomething in the twenty-first century, Kathleen Rooney writes with the finesse of someone well beyond her years but with fresh insights that reveal a girl still making discoveries at every turn. Varied and original, the tales in *For You, For You I Am Trilling These Songs* recount the perils of falling in love with the unlikeliest of people, of visiting the New York apartments of a vanished poet and of touring an animal retirement home with her parents, of getting a Brazilian wax and of chauffeuring a U.S. senator around town, of saying good-bye to a cousin who's joining a convent and of trying to convince herself that she's not wasting her life. This is a book about love and longing, poetry and plagiarism, death and democracy, mountain floods and Midwestern cicadas. Here is a young woman struggling to find her place as an adult and a citizen in an America that rarely manages to live up to Whitman's dream of it. With this book, Rooney sings yes in fact; she trills loud and clear. Encyclopedia of American Poetry: The Twentieth Century. Eric L. Haralson, 2014-01-21. The *Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries which provide biographical and cultural contexts for the author's career; entries on individual works which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. **The Oxford Encyclopedia of American Literature**. Jay Parini, 2004. The *Encyclopedia of American Literature* gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to

the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

The Lost Fiction of Weldon Kees Weldon Kees,James Reidel,1983

Weldon Keyes and the arts at mid-century ,1997

The Passionate Spectator John Yau,2021-08-02

The Passionate Spectator collects essays reviews and art criticism by John Yau an internationally lauded poet critic and curator In this wide ranging collection Yau explores the intersection of art and poetry dissolving boundaries between the artistic traditions and reimagining what it means to see and to write Whether he is interpreting the poetic use of titles in Jessica Stockholder s paintings reviewing the collaborative book project between American poet Robert Creeley and German artist Georg Baselitz or considering the significance of Frank O Hara s decision to have his portrait drawn wearing nothing but army boots Yau is consistently daring original and contemporary Yau s diverse critical sensibilities permeate The Passionate Spectator as he moves seamlessly between the visual and literary arts Highlights of this collection include an essay on the poet as art critic a study of the relationship between Kevin Young s poetry and the paintings of Jean Michel Basquiat and an imaginative piece in which Yau speculates about what Jorge Luis Borges would have created had he been a visual artist In the title essay Yau lays out the duty of the spectator a duty shared by viewer reader critic and artist it is up to us to experience art to engage and believe in its power

Uncover the mysteries within is enigmatic creation, Embark on a Mystery with **Weldon Kees** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
