The Good News of the Return of the King Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many

The Tower and the Ruin Michael DC Drout,2025-12-02 A leading scholar draws on fifty years of reading and studying J R R Tolkien to explain how he created an entire world No writer has surpassed the epic achievement of J R R Tolkien who spent decades refining his Middle earth a world that has felt so real to so many readers that it is almost impossible to imagine that any single person could have simply created it seemingly out of thin air In The Tower and the Ruin Michael D C Drout takes us deep into Tolkien s genius allowing us to glimpse the making of not only The Lord of the Rings The Hobbit and

The Silmarillion but also lesser known books such as The Fall of Gondolin as well as Tolkien's poetry and innovative scholarship Drout who has spent decades reading studying and teaching Tolkien allows us to understand the author's methods and to embrace his works as never before With great erudition and sparkling prose Drout shows us how Tolkien invented myths legends cultures languages histories and an intricate multivocal narrative We come to understand how Tolkien drew upon and modified material he found in Beowulf the Kalevala and other medieval literature from northern Europe using the subtle qualities of those famous works as inspiration for his own We also see the process by which he created the complex form of sorrow that is the primary emotional effect of his mature works a sadness blessed without bitterness carefully woven through a tapestry of themes that has resonated with generations of readers Sweeping and hugely perceptive and enhanced throughout by Drout's personal reflections on how Tolkien has shaped his own life and relationships The Tower and the Ruin illuminates Tolkien anew and will come to be seen as an essential work for anyone who has journeyed to Middle earth
