Writing the Script Wells Root,1980 This essential guide to writing for the screen goes step by step through the process of getting the script on paper and then onto the screen From product description

Writing the Script Wells Root,1980
Television Program Master Index Charles V. Dintrone,1996 Television history has become one of the hottest areas of research in popular culture Because the field is relatively new and so wide ranging no matter what one is researching much of the relevant material will be found scattered through numerous other works frustrating scholarly progress This work makes the television researcher s job easier by providing a single index to 341 books that include information on 1 002 shows Most of the books deal exclusively with television though some autobiographies biographies Congressional hearings and works on communication and the media are also indexed For a show to be included it must have been carried on NBC CBS ABC or Fox and must have been a series Shows on PBS are generally not included though exceptions have been made for Sesame Street and Mister Rogers Neighborhood

The Complete Idiot's Guide to Making Home Videos Steven Beal,2000 Now more than ever people are trading in their still cameras for home video recorders and many still do not really know how to use them This guide covers everything you need to know about making home videos from which camera to buy to how to edit your tape Readers will be able to make high quality videos both for home and professional projects The book is written by a writer producer of the HBO television and has participated in the development of blockbusters such as Anaconda
