Things Seen Heard:

Louise Elton, Or, Things Seen and Heard Mary Eliza Herndon, 1853 *Christian Flesh* Paul J Griffiths, 2018-09-25 A brilliant and provocative work demonstrating the centrality of the flesh to the mysteries and doctrines of the Christian faith Carol Zaleski Smith College A sustained and systematic theological reflection on the idea that being a Christian is first and last a matter of the flesh *Christian Flesh* shows us what being a Christian means for fleshly existence Depicting and analyzing what the Christian tradition has to say about the flesh of Christians in relation to that of Christ the book shows that some kinds of fleshly activity conform well to being a Christian while others are in tension with it But to lead a Christian life is to be unconstrained by ordinary ethical norms Arguing that no particular case of fleshly activity is forbidden Paul J Griffiths illustrates his message through extended case studies of what it is for Christians to eat to clothe themselves and to engage in physical intimacy In this trenchant and careful theological treatment of our embodiment Paul Griffiths puts the stress exactly where it should be put on the possibility of transfigured touch By focusing on the varieties of touch he is able to untangle several unfortunate arguments between liberals and conservatives in a most refreshing way John Milbank University of Nottingham Very few theologians can boast a comparable combination of profound questioning and precise reasoning This is a book worthy of the most serious reflection debate and admiration David Bentley Hart Notre Dame Institute for Advanced Study supremely lucid and beautifully austere Evan Sandmark *Modern Theology* A model of well reasoned stimulating and enduring theology R David Nelson *International Journal of Systematic Theology* **Seen and Heard** Seen, 1872
