Hayward, 2008-04-02 There are many kinds of giftedness and to be human is to be given a gift The term gifted in psychology is narrow next to such variety and does not refer to the most significant kinds of giftedness those that are moral and spiritual But it exists and it can be extraordinarily interesting *Firestorm 2034* is a glimpse into a world people live in and a life It is meant to share an experience that is at once obscure and very human providing a glimpse into experience or rather different glimpses from different angles The collection is overall quite colorful ABOUT THE AUTHOR C J S Jonathan Hayward wears many hats author philosopher theologian artist poet wayfarer philologist inventor web guru teacher He is an Eastern Orthodox Christian has lived in the U S Malaysia England and France and holds master's degrees bridging math and computers UIUC and philosophy and theology Cambridge He has websites at [Jonathan's Corner.com](#) and [CJSHayward.com](#) **Give Yourself a Nudge** Ralph L. Keeney, 2020-04-23 The best way to improve your quality of life is through the decisions you make This book teaches several fundamental decision making skills provides numerous

applications and examples and ultimately nudges you toward smarter decisions These nudges frame more desirable decisions for you to face by identifying the objectives for your decisions and generating superior alternatives to those initially considered All of the nudges are based on psychology and behavioral economics research and are accessible to all readers The new concept of a decision opportunity is introduced which involves creating a decision that you desire to face Solving a decision opportunity improves your life whereas resolving a decision problem only restores the quality of your life to that before the decision problem occurred We all can improve our decision making and reap the better quality of life that results This book shows you how **Dis-eased** John Ralph Tuccitto,2017-07-19 The purpose of this book is to help you acknowledge that when you persist in an environment without adapting to change you will become obsolete If you persist in an incompatible environment you will eventually convince yourself your personality is a disease Through the evidence of my own experience and my artwork I attempt to define these underpinnings that represent the silent engine behind human ego When difficult times like depression mercilessly shuffle experience that blur of activity is difficult to comprehend The next time you are grappling with your inadequacy reach for this book and you will find a comrade who empathizes with your struggle
