Window Art:

A World Art History and Its Objects David Carrier, 2008-11-28 Is writing a world art history possible Does the history of art as such even exist outside the Western tradition Is it possible to consider the history of art in a way that is not fundamentally Eurocentric In this highly readable and provocative book David Carrier a philosopher and art historian does not attempt to write a world art history himself Rather he asks the question of how an art history of all cultures could be written or whether it is even possible to do so He also engages the political and moral issues raised by the idea of a multicultural art history Focusing on a consideration of intersecting artistic traditions Carrier negotiates the way meaning and understanding shift or are altered when a visual object from one culture for example is inserted into the visual tradition of another culture *A World Art History and Its Objects* proposes the use of temporal narrative as a way to begin to understand a multicultural art history *Oxford American Writer's Thesaurus* Christine A. Lindberg, 2012 The perfect tool for finding the perfect word the Oxford American Writer's Thesaurus is an invaluable source of inspiration as well as an authoritative guide to selecting and using vocabulary Packed with information this essential guide for writers includes more than 300 000 synonyms and 10 000 antonyms with real life example sentences to help you pick the correct word The text is peppered with thought provoking reflections on favorite and not so favorite words by contemporary writers in a variety of genres including David Auburn Melissa Etheridge Joshua Ferris Francine Prose David Foster Wallace Zadie Smith and Simon Winchester many newly commissioned for this edition This unique thesaurus also contains expert notes on American English usage hints for choosing between similar words a Word Finder section organized by subject and a comprehensive language guide The third edition newly revised and updated now has hundreds of new words senses and phrases New features include over 200 literary and humorous quotations highlighting notable usages of words and a revised graphical word toolkit featuring common word combinations based on evidence in the Oxford Corpus There is also a new introduction by noted language commentator Ben Zimmer
