Worlds Within Her Proof:

Worlds Within and Worlds Without Michael Jackson, 2023-04-15 Anthropologist Michael Jackson predicates his intellectual autobiography *Worlds Within and Worlds Without* on the view that works and lives are intimately entangled. Through a skillful interweaving of personal and ethnographic descriptions he focuses on the imaginative and practical ways human beings negotiate the space between worlds they call their own and worlds they regard as lying beyond their immediate purview. Whether the worlds that elude our empirical grasp are identified with divinities or the dead ether or earth history or myth the Internet or the nation state we experience them ambivalently as potential sources of wellbeing and as possible threats to our very existence. Closing ourselves off from the world is not an option for our humanity depends on the ties that bind us to significant others and others to us. As Jackson shows the relationship between the familiar and the foreign is not only an existential issue that all human beings address in one way or another. It is a methodological issue for anthropologists concerned with the complementarity of individual and collective perspectives: ethnos and anthropos, the intrapsychic and the intersubjective. *The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3)* C. H.

Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic. Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance. What can account for the meteoric rise in popularity? Why did so many wish to hear his sermons? It is the same reason why one ought to study the sermons of Spurgeon to this day: in a famished land of moralism he preached the bread of Jesus Christ. Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg. David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky. [Many Convincing Proofs](#)

Stephen S. Liggins, 2016-03-21 While there have been various studies examining the contents of the evangelistic proclamation in Acts and various studies examining from one angle or another individual persuasive phenomena described in Acts e.g. the use of the Jewish Scriptures no individual studies have sought to identify the key persuasive phenomena presented by Luke in this book or to analyse their impact upon the book's early audiences. This study identifies four key phenomena: the Jewish Scriptures witnessed supernatural events; the Christian community and Greco Roman cultural interaction. By employing a textual analysis of Acts that takes into account both narrative and socio historical contexts the impact of these phenomena upon the early audiences of Acts that is those people who heard or read the narrative in the first decades after its completion is determined. The investigation offers some unique and nuanced insights into evangelistic proclamation in Acts: persuasion in Acts; persuasion in the ancient world; each of the persuasive phenomena discussed; evangelistic mission in the early Christian church and the growth of the early Christian church. **Worlds Within Worlds**
