Producers' Choice: Six Plays for Young Performers Megan Barker, DJ Britton, James Graham, Sarah May, Simon Reade, Simon Stephens, 2014-03-10 An essential collection of some of the best plays for young performers all selected and produced by the UK s leading theatre companies working with young people For youth theatre groups schools and festival productions this diverse selection will be invaluable Spontaneous Revolutions Liza McQuade, 2022-06-13 An Extraordinary Bicycling Adventure Spontaneous Revolutions Seeing America One Pedal at a Time is the story of a middle aged couples spur of the moment bicycle journey across the country These two out of shape inexperienced cyclists rode from Portland Oregon to Portland Maine It took four sometimes grueling months Being overweight and over 50 was one thing They also knew next to nothing about bikes didn t even know how to change a flat tire when they left And they chose to travel unplugged Why do this seemingly insane thing Well beyond the wild hair they wanted to meet the people of the tiny towns and byways of America It s also a testament to overcoming challenges staying motivated and enjoying the kindness of strangers People constantly surprised them with support Invitations to their homes and cheerleading along the way The

experience reaffirmed their faith in humanity proving how many good people there are across America There are moments of hilarity fear surprise struggle tenderness frustration beauty danger and love The book leaves the reader with confidence and inspiration if these two can do it you can do it no matter your dream Spontaneous Revolutions is also a love story Author Liza McQuade and her husband reconnected in their marriage learned to let go of judgement and found they loved each other more than they thought possible The book was written after McQuades husband passed away unexpectedly It s not maudlin it s an uplifting account of two people who undertook a huge leap of faith and learned to live In the moment The trip proved to be a metaphor for taking on any big challenge Whether you re making an important decision or scaling a mountain don t psych yourself out Tackle what s thrown your way head on even if you have to get off your bike and walk Most importantly it s a reminder to take life one pedal at a time *Bulletin* United States.
