proceedings derive from an international conference on the history of computing and education This conference is the third
of hopefully a series of conferences that will take place within the International Federation for Information Processing IFIP
and hence we describe it as the Third IFIP Conference on the History of Computing and Education or simply History of
Computing and Education 3 HCE3 This volume consists of a collection of articles presented at the HCE3 conference held in
association with the IFIP 2008 World Computer Congress in Milano Italy Articles range from a wide variety of computing
perspectives and they represent activities from six continents The HCE3 conference is an event of the IFIP Working Group 9
7 on the History of Computing a working group of IFIP s Technical Committee 9 TC9 on the Relationship between Computers
and Society In addition it is in cooperation with the IFIP Technical Committee 3 TC3 on Education The HCE3 conference
brings to light a broad spectrum of issues It illustrates topics in computing as they occurred in the early days of computing
whose ramifications or overtones remain with us today Indeed many of the early challenges remain part of our educational
tapestry most likely many will evolve into future challenges Therefore these proceedings provide additional value to the
reader as it will reflect in part the future development of computing and education to stimulate new ideas and models in
educational development   **The British Library General Catalogue of Printed Books, 1986 to 1987** British
