World* ,1925 *Our Navy* ,1929 Dadland Keggie Carew,2017-03-07 As her father s memory fails a daughter explores his
military past Part family memoir part history book Compelling and moving from start to finish Financial Times One of the San
Francisco Chronicle s Ten Best Books of the Year For most of Keggie Carew s life she was kept at arm s length from her
father s personal history But when she is invited to join him for the sixtieth anniversary of the Jedburghs an elite special
operations unit that was the first collaboration between the American and British Secret Services during World War II a new
door opens in their relationship As dementia begins to stake a claim over Tom Carew s memory Keggie embarks on a quest to
unravel his story and soon finds herself in a far more consuming place than she bargained for Tom Carew was a maverick a
left handed stutterer a law unto himself As a Jedburgh he parachuted behind enemy lines to raise guerrilla resistance first
against the Germans in France then against the Japanese in Southeast Asia where he won the nickname Lawrence of Burma
But his wartime exploits were only the beginning A winner of the Costa Book Award Dadland takes us on a journey through
peace and war and shady corners of twentieth century politics though the author s English childhood and the breakdown of
her family and into the mysterious realm of memory Brings to mind Helen MacDonald s H is for Hawk in the way it soars off
in surprising directions teaches you things you didn t know and ambushes your emotions NPR Astonishing Mixes intimate
memoir biography history and detective story this is a shape shifting hybrid that meditates on the nature of time and identity
Tom Carew was a razzle dazzle character larger than life and anarchically self invented For all its vigor and comic zest
Dadland is a careful and tender discovery that patiently circles around a man who spent his life mythologizing and running
away from himself The Observer **The Houghunters' Annual** ,1928 *Village China Under Socialism and Reform*
Huaiyin Li,2009-03-12 Village China Under Socialism and Reform offers a comprehensive account of rural life after the
communist revolution detailing villager involvement in political campaigns since the 1950s agricultural production under the
collective system family farming and non agricultural economy in the reform and everyday life in the family and community
Li s rich examination draws on original documents from local agricultural collectives newly accessible government archives

and his own fieldwork in Qin village of Jiangsu province to highlight the continuities in rural transformation. Firmly disagreeing with those who claim that recent developments in rural China represent a radical break with pre-reform sociopolitical practices and patterns of production, Li instead draws a clear history connecting the current situation to ecological, social, and institutional changes that have persisted from the collective era.
