Technical Communication Today With Mytechcommlab:

Technical Communication Today Richard Johnson-Sheehan, 2010 This new trilogy will capture the hearts of readers who adore Libba Bray's Gemma Doyle series. Callie LeRoux lives in Slow Run, Kansas, helping her mother run their small hotel and trying not to think about the father she's never met. Lately all of her energy is spent battling the constant storms plaguing the Dust Bowl and their effects on her health. Callie is left alone when her mother goes missing in a dust storm. Her only hope comes from a mysterious man offering a few clues about her destiny and the path she must take to find her parents in the golden hills of the west. California. Along the way she meets Jack, a young hobo boy who is happy to keep her company. There are dangerous, desperate people at every turn. And there's also an otherworldly threat to Callie. Warring fae factions attached to the creative communities of American society are very aware of the role this half-mortal, half-fae teenage girl plays in their fate.

Technical Communication Today, Books a la Carte Edition Richard Johnson-Sheehan, 2011-07-07 The la carte edition features the exact same content as the traditional textbook but in a convenient notebook-ready, loose-leaf version, allowing students to take only what they need to class. Our Books a la Carte titles offer a savings of 35% and typically cost less than a used textbook, subject to change.

Technical Communication Strategies for Today Richard Johnson-Sheehan, 2014-03-04 **ALERT** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code, the access code may have been redeemed previously, and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. For courses in Introduction to Technical Communication or Technical Writing offered in English Departments. **Technical Communication Strategies for Today** offers students all of the topics and genres they need for their technical communication course in fewer pages and at a significantly lower price. Students want their textbooks to cost less and they want comprehensive topical coverage presented in a succinct and clear writing style. **Technical Communication Strategies for Today** offers both and speaks to today's students. Instructional narrative is chunked so that portions of text are combined with graphics. The chunked presentation also integrates an awareness of how documents are read, often skimmed by readers seeking the information they need, and it models the way today's technical documents should be designed. The contemporary writing style is matched by an approach that accurately reflects the modern-day, computer-centered technical workplace. **Technical Communication Strategies for Today** presents computers as thinking tools that powerfully influence how we develop, produce, design, and deliver technical documents and presentations.

Technical Communication Strategies for Today, Books a la Carte Edition Richard Johnson-Sheehan, 2014-03-04 **Technical Communication Strategies for Today** offers students all of the topics and genres they need for their technical communication course in fewer pages and at a
