The Consecrated Life:

The Consecrated Life Marcello de Carvalho Azevedo,1995 Examining the state of the consecrated life today Azevedo gives an inspiring account of biblical and contemporary theological insights into both the nature of religious vocation and its path to renewal The key characteristic is its call for renewing religious life through radical commitment to Christ to the poor and to the Church itself *Radical Discipleship* Francis Cardinal Arinze,2014-12-16 Since 2015 has been deemed the Year of the Consecrated Life by Pope Francis this work by Cardinal Arinze is a very timely one for this year and for any time A reflection on the consecrated life Radical Discipleship represents a beautiful way for faithful Catholics to participate in this Church wide theme and celebration by coming to a deeper understanding of the consecrated life Radical Discipleship illuminates the vocation of the consecrated state and its presence in the Body of Christ beginning with a brief look at its origins in Scripture and the early Church The work then reflects upon the following The different forms this radical life takes The population of consecrated persons in the Church today The recognition that the consecrated life has received from the Church The vows of Poverty Chastity and Obedience taken by all consecrated persons Community life as it pertains to consecrated life The prophetic aspect of the consecrated life The impact of the consecrated state on the Church community and on society Alongside these fascinating topics Cardinal Arinze addresses some of the problems faced by consecrated people and how these difficulties have led some to abandon this vocation In examining the struggles specific to the consecrated state the Cardinal seeks to encourage other consecrated persons to persevere in their vocation He further calls the entire Church to support the consecrated life and those who have dedicated themselves to Christ in this way Although filled with substantive information even the most involved sections are presented in an engaging readable and reflective style The book is not as the Cardinal explains a dissertation based on deep research on the theology and canon law on the consecrated life Radical Discipleship is rather a reflection written for consecrated people other laity and clergy alike and offers wonderful material for thought and prayer It is Cardinal Arinze s hope that his work will make the consecrated life better understood loved lived and promoted *The Consecrated Life* Catholic Church. Pope (1978-2005 : John Paul II),Pope John Paul II,United States Catholic Conference,1996 Pope John Paul II speaks to the need for a fresh enthusiasm for a renewed and revitalized consecrated life *A Divine Gift* Mary David Totah,2014 **Short Course on the Consecrated Life** ,2011 **The Priceless Gift: A Primer of the Theology of Consecrated Life** Sr. Pascale-Dominique Nau, OP,Kazimierz Włójtowicz, cr,2014-01-01 This book is an initiative of the Polish Bishops Commission for the Institutes of Consecrated Life and Societies of Apostolic Life The author follows the path of the Post Synodal Apostolic Exhortation Vita Consecrata and presents consecrated life like a mosaic In short articles under specific keywords he elucidates the most important elements These articles are assembled in the key of contemporary ecclesiology using the Church s threefold identity as mystery community and mission *The Consecrated Life; Or, Thoughts on Practical Religion* Ernest Boys,1881

Conner, 1997 A comprehensive and scholarly treatise on Christian living After highlighting the dignity of lay Christian life and its mission to transform the world it contrasts the lay and consecrated vocations and then proceeds to explore the splendid love and mystery of the consecrated life from the Scriptural historical conciliar and theological perspectives It deals at length with the three evangelical counsels of chastity poverty and obedience which are the principal elements of the religious life with the common life and apostolic work of consecrated men and women It also addresses the mutual influence of consecrated life and ministerial priesthood in the lives of religious who are ordained Besides tracing the origin and development of the three evangelical counsels the books presents a lucid and balanced exposition of the real meaning and essential features of the allied virtues and suggests practical ways and means of avoiding pitfalls and of growing in each virtue Of special interest is the sensitive treatment of delicate issues like friendship with the same or opposite sex among consecrated persons **On the Consecrated Life** Institute on Religious Life, 2010-04-01 [See I Am Making Something New](#) Amy Hereford, Amy Hereford Csj, 2018-05-24 [See I Am Making Something New](#) explores the various ways in which the Life of the Spirit is stirring anew in the Church today in new religious institutes and societies in diocesan hermits and consecrated virgins in the new forms of consecrated life and in the ecclesial movements that bring life and vitality to the Church today and in fact may also give rise to new institutes The book is a guide for those discerning their vocation and their spiritual directors and a pastoral manual diocesan personnel New Community Canon 579 We may recognize five stages in the foundation of an institute A single institute may spend several months years or decades in each of the stages The history of religious life testifies that the foundation of an institute is the work of a lifetime and its progress is not counted in terms of members or buildings but in terms of the treasures laid up in heaven Hermits Canon 603 flourished in the early Christian

centuries even before religious communities organized as we know them today With the revision of the Code of Canon Law in 1983 this form of life came back into the practice of the church as a canonically approved vocation The vocation is characterized by a stricter separation from the world and by silence and solitude Canon 603 adds that the hermit professes the traditional three vows of poverty celibate chastity and obedience Consecrated Virgins Canon 604 Many early Christian writers extol the beauty and power of the Christian virgin in a spousal relationship with Christ just as the church is spouse of Christ This allegorical theology held great power and meaning from the early Christian centuries By the middle ages the rite of consecration of virgins had been nearly completely incorporated into cloistered monastic life of nuns In the early twentieth century individuals and groups began to seek to restore this ancient form of consecration The revised rite was promulgated in 1970 and it is best source of understanding the vocation of the consecrated virgin Includes the Instruction Ecclesiae sponsae imago New Forms Canon 605 In recent decades a new instinct for communion in consecrated life seeks to bring various groups together into a single religious institute men and women cleric and lay married and single Canon 605 provides the canonical opening for new forms of consecrated life and most of these new forms manifest this instinct for inclusion Some have sought formal approval as new institutes or new forms of consecrated life God moves among us in holy creativity This book explores they ways in which God is making something new in new religious institutes in newly re introduced individual forms of consecrated life the diocesan hermit and the consecrated virgin and in the new forms of consecrated life May we each have the wisdom and courage to live our vocation and may we love and support each another as we follow our unique vocation our unique path in the heart of God

The Consecrated Life and Its Role in the Church and in the World United States Catholic Conference,1992

Consecrated Life Anthony Ikechukwu Kanu O S a,2021-12-09 In 2014 the Roman Pontiff Francis I issued a letter for the Year of Consecrated Life which started throughout the universal Church on the first Sunday of Advent 30th November to end on the Feast of the Presentation of Jesus in the Temple 2

February 2016 a period of fourteen months In this document the Holy Father wrote that During this Year it would be appropriate for each charismatic family to reflect on its origins and history in order to thank God who grants the Church a variety of gifts which embellish her and equip her for every good work of Lumen Gentium 12 From the foregoing it is evident that recounting our history is essential for preserving our identity for strengthening our unity as a family and our common sense of belonging More than an exercise in archaeology or the cultivation of mere nostalgia it calls for following in the footsteps of past generations in order to grasp the high ideals and the vision and values which inspired them beginning with the founders and foundresses and the first communities In this way we come to see how the charism has been lived over the years the creativity it has sparked the difficulties it encountered and the concrete ways those difficulties were surmounted We may also encounter cases of inconsistency the result of human weakness and even at times a neglect of some essential aspects of the charism Yet everything proves instructive and taken as a whole acts as a summons to conversion To tell our story is to praise God and to thank him for all his gifts It is from this background that the first chapter of this work begins with the history of the Consecrated Life As a background to this history that dates back concretely to the Eremitic Age this chapter begins by discussing the typologies of the Religious Life and developing a model for the interpretation of this history

Lasnoski, Kent Lasnoski, 2022-08-05 Makes a distinctive contribution to the field of family ethics This clearly written and engaging text will provoke discussion in the classroom and among scholars of virtue ethics as it challenges widely held theological claims about marriage and understandings of the good life Theological Studies *The Teachings of Pope John Paul II* John E. Fagan, 2005 Fundamental Theology of the Priesthood, A Cardinal Ouellet, Marc, 2023 The Symposium for a Fundamental Theology of the Priesthood held at the Vatican from February 17 to 19 2022 inaugurated a new phase of theological and pastoral reflection in the context of contemporary questions regarding the ministry of priests and the priesthood of the baptized The deepening of the relationship between the two participations baptismal and ministerial in the one priesthood of Christ is fundamental for renewing the mission of the Church in the spirit of openness and dialogue of the Second Vatican Council This perspective is also pertinent for the promotion and communication of all vocations especially that of women whose charisms are yet to be fully recognized and integrated in their rightful place within the life of the Church Finally and no less important this reflection offers synodal practice a solid theological foundation for making the participation of the faithful dynamic which must not only correct the limitations and defects of the exercise of the ordained ministry but also actively and permanently exercise the gifts and charisms that the Holy Spirit has poured out on all baptized people **Service**, 1912
