Followership and Faith at Work Debra J. Dean, Robert B. Huizinga, 2022-02-18 This edited work expands the theory of followership by drawing on biblical examples to illustrate the role of faith in being a better follower Building on previous scholarship the book identifies different types of followers and explores how each type meets the needs of a leader in various scenarios The authors analyze various principles from the lives of followers of Jesus and demonstrate how they apply to modern workplaces Building upon the growing scholarship on workplace spirituality and organizational leadership this book offers practical and theoretical perspectives on integrating faith at work

Salvage Work Angela Naimou, 2015-04-01 Salvage Work examines contemporary literary responses to the law's construction of personhood in the Americas Tracking the extraordinary afterlives of the legal slave personality from the nineteenth century into the twenty first Angela Naimou shows the legal slave to be a fractured but generative figure for contemporary legal personhood across categories of race citizenship gender and labor What emerges is a compelling and original study of how law invents categories of identification and how literature contends with the person as a legal fiction Through readings of Francisco Goldman's *The Ordinary Seaman* Edwidge Danticat's *Krik Krak* Rosario Ferré's *Sweet Diamond Dust* *Maldito Amor* Gayl Jones's *Song for Anninho* and *Mosquito* and John Edgar Wideman's *Fanon* Naimou shows how literary engagements with legal personhood reconfigure formal narrative conventions in Black Atlantic historiography the immigrant novel the anticolonial romance the trope of the talking book and the bildungsroman Revealing links between colonial civic slave labor immigration and penal law Salvage Work reframes debates over civil and human rights by revealing the shared hemispheric histories and effects of legal personhood across seemingly disparate identities including the human and the corporate person the political refugee and the economic migrant and the stateless person and the citizen In depicting the material remains of the legal slave personality in the de industrialized neoliberal era these literary texts develop a salvage aesthetic that invites us to rethink our political and aesthetic imagination of personhood Questioning liberal frameworks for civil and human rights as well as what Naimou calls death bound theories of personhood in which forms of human life are primarily described as wasted disposable bare or dead in law Salvage Work thus responds to critical discussions of biopolitics and neoliberal globalization by exploring the potential for contemporary literature to reclaim the individual from the legal regimes that have marked her

The Ardennes Tapes Timothy B. Benford, 2000-06 Christmas Eve 1944 The Ardennes Forest was thick with blood as the Battle of The Bulge raged on But in the midst of combat two hundred troops Americans and Germans alike abruptly ceased fighting each other and united to face one common and unspeakable enemy Only two men survived Now more than five decades later one still remains institutionalized and unable or unwilling to speak Then suddenly he begins to
