

NIGHTWALKER

The Negative Plane is a place of darkness and death, anathema to all living things. Yet there are those who would tap into its fell power, to use its energy for sinister ends. Most often, when such individuals approach the midnight realm, they find they are unequal to the task. Those not destroyed outright are sometimes drawn inside the plane and replaced by nightwalkers, terrifying undead creatures that devour all life they encounter.

Mighty Spawn. One can reach the Negative Plane from the Shadowfell, much in the same way that it is possible to step from the Material Plane into the Shadowfell in a place where the barrier between the planes is thin.

Stepping into the Negative Plane is tantamount to suicide, since the plane sucks the life and soul from such audacious creatures and annihilates them at once. Those few who survive the effort do so by sheer luck or by harnessing some rare form of magic that protects them against the hostile atmosphere. They soon discover, however, that they can't leave as easily as they arrived. For each creature that enters the plane, a nightwalker is released to take its place. In order for a trapped creature to escape, the released nightwalker must be lured back to the Negative Plane by offerings of life for it to devour. If the nightwalker is destroyed, the trapped creature has no hope of escape.

Beings of Anti-Life. One can discern the nature of creatures trapped in the Negative Plane from the sites that nightwalkers frequent. Generally, a nightwalker on the Material Plane is attracted to elements of the world associated with the creature responsible for its creation. Such interest doesn't indicate a willingness to engage with the world; nightwalkers exist to make life extinct and never to serve living things.

Undead Nature. A nightwalker doesn't require air, food, drink, or sleep.

Annihilating Aura. Any creature that starts its turn within 30 feet of the nightwalker must succeed on a DC 21 Constitution saving throw or take 14 (4d6) necrotic damage and grant the nightwalker advantage on attack rolls against it until the start of the creature's next turn. Undead are immune to this aura.

Life Eater. A creature reduced to 0 hit points from damage dealt by the nightwalker dies and can't be revived by any means short of a wish spell.

ACTIONS

Multitask. The nightwalker uses Enervating Focus twice, or it uses Enervating Focus and Finger of Doom, if available.

Enervating Focus. *Melee Weapon Attack:* +12 to hit, reach 15 ft., one target. *Hit:* 28 (5d8 + 6) necrotic damage. The target must succeed on a DC 21 Constitution saving throw or its hit point maximum is reduced by an amount equal to the necrotic damage taken. This reduction lasts until the target finishes a long rest.

Finger of Doom (Recharge 6). The nightwalker points at one creature it can see within 300 feet of it. The target must succeed on a DC 21 Wisdom saving throw or take 26 (4d12) necrotic damage and become frightened until the end of the nightwalker's next turn. While frightened in this way, the creature is also paralyzed. If a target's saving throw is successful, the target is immune to the nightwalker's Finger of Doom for the next 24 hours.

The Nightwalker:

The Nightwalker Thomas Tessier, 2018-04-15 Bobby had almost convinced himself his lover's death was an accident. It wasn't his fault. Once the uncontrollable tingling began in his hands, he could only watch in horror as they killed her. But then he saw the jogger. As his eyes followed the man, he felt that same eerie power flowing into his arms and legs, and he found himself running with inhuman animal grace to overtake the runner. When the race turned into a chase, a reign of terror began. Night after night, the beast will silently stalk the city streets, its bloody jaws and tearing claws leaving only death in its wake.

The Nightwalker Pelaam, 2024-06-29 Aubrey is on the run from his stepfather, a man who wants to use Aubrey in more ways than one. Aubrey holds the power of light deep within him, but he's afraid of what it is and what it may do. To outsmart one of his stepfather's men, he swaps identities with a mail order bride and finds himself in the remote town of Desolation's Edge, meeting his fiancé, Xavier Pendrigh. To the surprise of them both, there's an attraction between the two men. Aubrey is afraid of bringing danger, and Xavier has secrets of his own. However, Aubrey's stepfather becomes the least of their problems when a rival rancher calls on the powers of evil and invites a vampire to his home, the Nightwalker. The creature is drawn to Aubrey like a moth to a flame. Can Aubrey master his own power to defeat a creature of ultimate darkness? *Fletcher's Play:*
