The Spiritual Path Gregory David Roberts, 2021-03-19 The author of international bestseller Shantaram takes us on a gripping personal journey of wonder and insight into science belief faith and devotion Drawing on common sense logic sacred traditions inspirations from the natural world and the iconoclastic instruction of his spiritual teacher Roberts describes the step by step path he followed in search of spiritual connection one that anyone of any belief or none can apply in their own lives This gripping personal account of the Leap of Faith is a compellingly fresh new addition to such enduring spiritually inspiring works as Zen and The Art of Motorcycle Maintenance The Road Less Travelled and The Celestine Prophecy From the Author The Spiritual Path is for anyone searching for meaning and connection for more answers than questions and for practical help in resetting the spiritual compass Gregory David Roberts *Meeting the Shadow on the Spiritual Path* Connie Zweig, 2023-05-23 A guide to rekindling spiritual inspiration after betrayal and disillusionment Explains why we are drawn to charismatic leaders what we unconsciously give away to them and how to reclaim our inner spiritual authority Explores how to recover from spiritual abuse or betrayal by a teacher or group including breaking free of denial projection and dependency using psychology and shadow work Extends MeToo into the spiritual domain and tells the stories of contemporary clergy and spiritual leaders who acted out their shadows in destructive ways leaving their followers traumatized and lost Within each of us is a spiritual longing that prompts us to unite with something greater than ourselves to awaken to our unity with all of life Yet no matter the spiritual path we choose we inevitably encounter our own shadow those unconscious aspects of ourselves that we suppress or deny or the shadows of our teachers and their secret desires about money sex and power Meeting the shadow can derail the journey but according to Connie Zweig Ph D we can learn to recover from loss of faith and move from spiritual naivete to spiritual maturity Calling on us to expand our vision of religious and spiritual life and our vision of awakening to include the human shadow Zweig examines the yearning that sets us on the spiritual path showing how it can lead to ecstatic transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher priest or guru who abuses power She tells the stories of renowned teachers Sufi poet Rumi Hindu master Ramakrishna and Christian saint Catherine of Siena whose lives unfolded as they followed their spiritual yearning And she tells the cautionary tales of contemporary teachers of Buddhism Hinduism and Catholicism who acted out their shadows in devastating ways leaving their followers traumatized and lost She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality She describes how to use spiritual shadow work to separate from abusive teachers reclaim inner spiritual authority and heal from betrayal With guidance for both inspired and disillusioned seekers the author explores how to navigate the narrow path through the darkness toward the light rekindle the flame of longing and once again engage in fulfilling spiritual practice , *Six Stages on the Spiritual Path* Ruth Whitney, 2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love

Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe The Spiritual Path Suzi Obelisk,2019-02 The Spiritual Path Spiritual Trilogy Part 3 By Suzi Obelisk Awaken The Flow Books Volume 11 Hi I m Suzi Obelisk smile This book is the 3rd and final book of my Spiritual Trilogy This easy to read book can help you with The Spiritual Path spiritual Awakening and how to increase your spiritual Light in everyday life The Spiritual Path is the path of love light truth peace and balance It s the path home to your true Self The Spiritual Path will help you to evolve through your daily life as the spiritual being you already are within smile The beauty of the spiritual journey is that it helps you to deal with and manage the daily life stuff and also the bigger problems much more easily than before So it s a true blessing to have that different perspective on life In fact I truly believe with all my heart that the ONLY reason that I m still alive and happy after everything that I went through previously during my life is that the spiritual practices that I did over the years somehow increased and boosted my energy so that I could survive some surprising and nasty life problems in my past So I m very grateful I still have to this day doctors and other specialists saying how surprising it is that I m in the shape I am considering what I ve been through but I KNOW that the holistic healing is the reason why that s so smile As for me I m not anybody special I began my life as a normal everyday person with normal everyday problems and then one day I decided that there HAD to be a way to an easier and happier life So in my usual practical way that s when I began to investigate mind body spirit holistic healing and some spiritual practices including my first attempts at meditation Now in hindsight and thankfully that actually saved my life and kept me around much longer so yep I feel pretty happy about that Then last year I died and I lost consciousness and I had one of those white Light near death experiences that you read about It happened so fast that it was really surprising and there was no time for me to do or say anything One minute I was there and the next minute I was gone That was it But I m so happy and grateful to have returned and now I really KNOW just how precious life is that s for sure I ve also realized that there s really no mystery about The Spiritual Path Instead it s all about your choice and your intention to create a better life for yourself and then you just do what you can as you can in as best BALANCE as you can at the time Above all when it comes to The Spiritual Path you really need to be kind to yourself Be happy and live in YOUR truth Live your life with compassion enjoy what you do take care of your body because it s the only
