and art and also to those events that were especially reflected in literature in the life of its writer or that affected it There are many examples in which historical events have shaped the content and forms of literature as well as this has often been the best testimony to the importance of certain events throughout history This context is formed by everything that in some way influences the event when it happens A fact is always tied to its time that is to its period A New Voyage Round the World by a Course Never Sailed Before by Daniel Defoe Daniel Foe better known by his pseudonym Daniel Defoe London between 1659 and 1661 possibly October 10 1660 Moorfields London April 24 July May 5 1731greg He was an English writer journalist and pamphleteer known worldwide for his novel Robinson Crusoe Defoe is important for being one of the first cultivators of the novel a literary genre that became popular in England and also received the title of father of all English novelists Defoe is considered a pioneer of the economic press **Daniel De Foe's Voyage Round the World** Daniel Defoe,1787

Transformations, Ideology, and the Real in Defoe's Robinson Crusoe and Other Narratives Maximillian E. Novak,2014-10-24 This book explores significant problems in the fiction of Daniel Defoe Maximillian E Novak investigates a number of elements in Defoe s work by probing his interest in rendering of reality what Defoe called the Thing itself Novak examines Defoe s interest in the relationship between prose fiction and painting as well as the various ways in which Defoe s woks were read by contemporaries and by those novelists who attempted to imitate and comment upon his Life and Strange Surprizing Adventures of Robinson Crusoe decades after its publication In this book Novak attempts to consider the uniqueness and imaginativeness of various aspects of Defoe s writings including his way of evoking the seeming inability of language to describe a vivid scene or moments of overwhelming emotion his attraction to the fiction of islands and utopias his gradual development of the concepts surrounding Crusoe s cave his fascination with the horrors of cannibalism and some of the ways he attempted to defend his work and serious fiction in general Most of all Transformations Ideology and the Real in Defoe s Robinson Crusoe and Other Narratives establishes the complexity and originality of Defoe as a writer of fiction

The Consolidator: Memoirs of Sundry Transactions from the World in the Moon Daniel Defoe,2022-11-13 Daniel Defoe s The Consolidator Memoirs of Sundry Transactions from the World in the Moon is an early example of science fiction that blends satire with a critique of contemporary society Through the narrative of an imaginative journey to the moon Defoe explores themes of exploration politics and the human condition employing a prose style marked by wit and a keen sense of social observation The work reflects the literary context of the early 18th century where satire was a prevalent genre enabling Defoe to comment on the philosophical and scientific inquiries of his time while also engaging with the burgeoning interest in astronomy and the fantastical possibilities it presented Defoe an astute observer of human nature and a versatile writer drew from his diverse experiences in trade politics and journalism His previous works often examined moral and social dilemmas leading him to craft this fanciful tale as a commentary on the absurdities of social hierarchies and the quest for knowledge Defoe s adeptness at weaving intricate plots with moral undertones enabled him to offer both entertainment and

profound reflections in this work This book deserves a place on the shelf of every reader intrigued by the interplay of fiction and social critique It invites contemplation on the limits of human ambition and the nature of societal structures rendering it a compelling read for those who appreciate the intricacies of human experience and the potential of speculative literature
