The Vatican Revolution Geddes MacGregor, 1957 The text of the Vatican decrees with an English translation and notes pages 165 197 Bibliography p 205 216 **Vatican Revolution** Flash Guides, Lightning Guides, 2015-05-31 Vatican Revolution John Paul II Francis the Future of Catholicism explores the shifting tides of the the Catholic church As the head of one of the most powerful organizations on the planet the pope s leadership and decisions affect millions of lives around the globe John Paul II and the Second Vatican Council ushered in the beginning of the modernization of the church and Pope Francis has taken some of the most liberal stances on issues such as gay rights and family planning of all time while simultaneously spawning an upsurge in demand for exorcisms Looking at the leadership of this massive influencer Vatican Revolution will examine the history of papal infallibility and its inherent inconsistencies The Catholic Revolution Andrew Greeley, 2004-03-10 Drawing on a wealth of data collected over the last thirty years bestselling sociologist and novelist Andrew Greeley assesses the impact of Vatican Council II on the Catholic Church in the United States Coming at a time of crisis and doubt for the Church this deeply thoughtful analysis brings light and clarity to the years of turmoil that have shaken the foundations if not the faith of American Catholics University of California Press *Vatican II* Margaret Lavin, 2012 **Catholics and the American Revolution** Martin Ignatius Joseph Griffin, 1911 Popes, Councils, and Theology Owen F. Cummings, 2021-06-15 Do you wish to understand something of the contemporary Catholic Church If you do then this book is for you It offers a careful overview of the history of the church from the mid nineteenth century with Pope Pius IX until the present day with Pope Francis It deals with two major councils of the church Vatican I 1869 70 and Vatican II 1962 65 Furthermore it provides a detailed and accurate summary of the major theological movements in the church during this period *The True Story of the Vatican Council* Henry Edward, 2010-09-20 This spirit of war taunted Pius IX in calling a Council It is with this devastating spirit that the Church seemed to tread with caution box On the 11th of December 1866 the French flag was lowered on the castle of St Angelo Three days before the French general in command had taken his leave of Pius the Ninth In reply to his words of farewell the Pope answered We must not deceive ourselves the revolution will come here box Revolution was in the air It was in the hearts of men This revolution was a turning point of men straying away from the laws of God Yet however Pius IX called for the council anyways As Cardinal Manning writes It may therefore be said that the second period of the Christian world has closed Of thirty six crowned heads ten are still Catholic two are of the Greek separation twenty four are nominally Protestant The people of many and great nations are faithful and fervent children of the Catholic Church but the Revolution either openly or secretly in its substance or in its spirit is behind every throne and in almost every government and legislature of the Christian world The public laws even of the nations in which the people are Catholics are Catholic no longer The unity of the nations in faith and worship as the Apostles founded it seems now to be dissolved The unity of the Church is more compact and solid than ever but the Christendom of Christian

kingdoms is of the past We have entered into a third period The Church began not with kings but with the peoples of the world and to the peoples it may be the Church will once more return The princes and governments and legislatures of the world were everywhere against it at its outset they are so again But the hostility of the nineteenth century is keener than the hostility of the first Then the world had never believed in Christianity now it is falling from it But the Church is the same and can renew its relations with whatsoever forms of civil life the world is pleased to fashion for itself If as political foresight has predicted all nations are on their way to democracy the Church will know how to meet this new and strange aspect of the world The high policy of wisdom by which the Pontiffs held together the dynasties of the Middle Age will know how to hold together the peoples who still believe Such was the world on which Pius the Ninth was looking out when he conceived the thought of an Ecumenical Council He saw the world which was once all Catholic tossed and harassed by the revolt of its intellect against the revelation of God and of its will against His law by the revolt of civil society against the sovereignty of God and by the antichristian spirit which is driving on princes and governments towards anti christian revolutions He to whom in the words of St John Chrysostom the whole world was committed saw in the Council of the Vatican the only adequate remedy for the world wide evils of the nineteenth century It will be remembered that the Consultors in giving their opinion that the holding of a Council was expedient gave no opinion as to the time when it could safely be convoked The threatening aspect of the times was enough to make them hesitate Summary of Changes Since Vatican II: a Revolution in the Church? MyCatholicSource Article Reprint,2017-07-26 All in all it is quite clear that much has been lost since the Second Vatican Council It used to be that Catholics were united in belief and worship they could go anywhere in the world and feel at home at Mass prelates were orthodox priests weren t afraid to talk about sin and hell and they didn t experiment with the liturgy the Blessed Sacrament was treated with great reverence our Blessed Mother was revered Catholics obeyed the priests bishops and the pope teachers were orthodox books with imprimaturs were safe most Catholics knew and practiced their faith lay persons didn t try to usurp priestly duties dissenters were punished the sense of sin was clear people believed in the devil and knew that the whole world is under the power of the evil one 1 Jn 5 19 priests were available Mass a solemn sacrifice was focused on God and was not an occasion for socializing self affirmation or entertainment Masses were reverent not manipulated and kneeling genuflection for our Lord was required parishioners were well dressed modest and had manners all was orderly and respectful fear of the Lord was fostered and pleasing God was paramount Catholics rejected Protestant errors heresy was anathematized churches were beautiful tabernacles were prominent A Catholic Mass was uplifting and was distinctly different from Protestant services The Church was not worldly She was known to be divine and not subject to change to suit the majority Vatican II and its Fruits If you love the Church you won t want to miss this enlightening fact filled compendium of changes in the Church since the Second Vatican Council These MyCatholicSource com article reprints contain A brief summary of approximately 200 changes in the Church since Vatican II Close to 100 fruits
