A Woman In Love C. Dale Baldwin,2021-06-11 Ravel told me the Bible says that love is an act not a feeling So what is this crazy emotion that keeps me holding on My desire for him seems to take control as he professes his love for me How can I be so happy one minute and so sad another while telling myself I can t go on like this Yet I am so desperately in love A Woman In Love Deception is the account of a love so intoxicating that the lovers cannot get enough of each another After Ravel and Clementine meet and fall in love they marry twice But then he becomes someone else having psychotic episodes leading toward absences Clementine s life is turned upside down As if a switch is turned off she feels Ravel is not the man she married It becomes a triumph of a love so strong that she endures He professes his love for her and she cannot let him go The heart wants what it wants Clementine tries to understand the nature of his behavior but to no avail Their love story is a mind altering state of ups and downs with passions having a stronghold on Clementine even as she must decide if she can persevere A Woman In Love Deception The Beginning is the second book in a trilogy

It's Not Love, It's Just Paris Patricia Engel,2013-08-06 Gloriously gifted and alarmingly intelligent Engel writes with an almost fablelike intensity Junot Diaz Lita del Cielo the daughter of two Colombian orphans who arrived in America with nothing and made a fortune with their Latin food empire has been granted one year to pursue her studies in Paris before she must return to work in the family business She moves into a gently crumbling Left Bank mansion known as The House of Stars where a spirited but bedridden Countess S raphine rents out rooms to young women visiting Paris to work study and unofficially find love Cautious and guarded Lita keeps a cool distance from the other girls who seem at once boldly adult and impulsively na ve who both intimidate and fascinate her Then Lita meets Cato and the contours of her world shift Charming enigmatic and weak with illness Cato is the son of a notorious right wing politician As Cato and Lita retreat to their own world they soon find it difficult to keep the outside world from closing in on theirs Ultimately Lita must decide whether to stay in France with Cato or return home to fulfill her immigrant family s dreams for her future It s Not Love It s Just Paris is a spellbinding love story a portrait of a Paris caught between old world
