*Venus Remembered* Anonymous, 1985-09-01 **Purgatory Among the Clouds** R.A. Grimes, 2022-10-17 Skye Maxwell is a prominent savvy young scientist whose ingenuity is recognized and used for ill gotten gains Joined by those closest to her heart they journey from the east coast to boldly trek through the fierce terrain of the Alaskan wilderness International world destruction is set in motion by a psychopath but as bonds deepen and love connections flourish a family is willing to pay the ultimate sacrifice to save humanity and their loved ones Greed and corruption fuel the elite and their ruthless associates A

series of threats are initiated after Skye's latest scientific breakthrough inciting a response to the inhuman agenda. Dissecting the truth proves to be dangerous for Skye and her loved ones as truths unfold. Most military and government affiliations happily assist the Five Stars five lifelong inner city childhood friends, family, and mentors of Skye. The readers become intent on helping the protagonist to free everyone from imminent danger. The characters will provoke thought and soften your heart. The main characters risk life and love as they courageously stand up against global devastation. Weather manipulations, coincidental tragedies, and abductions are divulged. Fragile bonds and animosity dominate and welcome power struggles and coverups. Skye is just as determined as the powers that be to have her own vision materialized. Can humanity be spared the fallout from the power of a few? Readers will relate to the characters as they envision extensions of themselves, appreciating life as they cascade through purgatory among the clouds.

**I Cannot Tell a Lie** Linda Allen Bryant, 2004-07-14 THE FIRST PRESIDENT Documented national history states that the nation's first president had no children. But the oral history of the descendants of this African American family tells a different story. THE CONTROVERSY Many people will believe the story of George Washington fathering a slave son. Others will find it difficult if not impossible to believe that Washington had an intimate relationship with a slave named Venus. Their fateful union during the era of antebellum slavery produced a son, West Ford. THE SECRET As time and space distanced the Ford family from its beginnings at Mount Vernon, each generation continued to walk a precarious line, bearing the weight of their heritage and battling issues of skin color, status, and identity. Linda Allen Bryant, a descendant of West Ford, pens her family's narrative history in *I Cannot Tell a Lie*. Their genealogy is rich in adventure, love, tragedy, sacrifice, and courage, a story that will haunt you long after you turn the last page. [Medusa](#)

**Skylark** Kathleen Moody, 2003-08-05 Environmental intrigue abounds in this quirky and inspired new mystery in the popular Pacific Northwest series starring United States Fish and Wildlife agent Venus Diamond. **Would I Lie to You?** Trisha R. Thomas, 2011-07-13 Spirited, successful Venus Johnston is back in the long-awaited sequel to *Nappily Ever After*. Venus feels history repeating itself and she's not loving it. She ended a relationship with Clint because he couldn't commit, cut off her long processed hair, and started on a new path with a new boyfriend. But she's been with Airic for more than two years, and they still haven't set a wedding date. When a temporary project takes her to Los Angeles, Venus welcomes the opportunity to spend some time with her family in California and to see if a little absence makes Airic's heart grow fonder. But in L.A., savvy, ambitious Venus runs head-on into a new complication: the equally savvy and ambitious Jake Parsons, a former rap star turned clothing designer. Jake is as suave as he is successful, and ten years her junior. Venus's job is to create a marketing campaign for his urban wear. Jake's job, it seems, is to distract her from her long-distance romance with Airic. When Venus's mother is diagnosed with breast cancer, her entire world seems to crumble. Everything she thought would make her happy—her new look, her successful career, her fiancé—can't fix the sadness and emptiness she feels. But before she throws in the towel, she's offered one more chance: a chance for change, for growth, and maybe even for a new love. Will she take it? Or give in to the notion that
