Let's Do Lemonade David A. McAdam,2024-05-17 What does it mean to lead a life of hope faith and virtue When faced with a world with less and less of a shared concept of truth where do we turn And when life gives us lemons what can we do Through this collection of stylistically diverse poems author David A McAdam suggests we can make lemonade out of even the barest of circumstances and welcome others to engage in rich conversation over a cool refreshing drink Broken into eight thematically organized sections these poems move us through the steps it takes to do lemonade from inviting to savouring to refilling reminding us of the universal values we can all lean on whether we are facing highs or lows Through these varied poems readers are invited to reflect on changes in themselves and their relationships to honour and give thanks for what they have and to face challenges with grace and humility Drawing on his Christian and Caribbean roots his poems ultimately serve to affirm the value of faith lighting a candle against the darkness of the post truth world
