

## **Two Souls as One**

---

Separate lives and separate souls  
walking interconnected paths,  
until one day, there you are.  
We know each other at once.

From the moment we meet,  
we are in sync.  
Two souls connecting as one.  
Soulmates coming together.

Jarroush,2010-08-12 This book is written to help humans to understand who they are what their life s mission is what happens when they leave this life and how to live and die without fear of the unknown This is a powerful dialogue between the writer and his guardian angel that brings to light information that was meant to be shared with the world We as humans have worries fears and obligations that we live by blindly according to what we were taught We seek happiness through different channels that could be called God Spirit the Universe etc and we do not understand why we are doing what we are doing The writings in this book will take the reader through a journey to self awareness where the answers to living in happiness without worries fears or obligations reside This journey is to show every human how to finish a life that started with rules and conditions in awareness and considerate living **Souls Who Meet Each Other** Patrizia Luraschi,2022-12-21 When we speak of Souls meeting we refer to that particular interconnectedness that binds two or more souls with one purpose in life that of meeting and evolving together along the path of spiritual evolution The Twin Souls are stimulated and helped in the path of spiritual growth one comes to the rescue of the other precisely because in the first place they have so many goals to achieve in their life together create their existence as a couple as a family and as people who will give a good example to their friends and to all those around them We live in the Age of Awareness and everything that happens has its own reason of being nothing belongs to chance therefore our reunions our meetings also belong to this For example the question many people ask is Why do Soul Mates exist Surely the Twin Souls are not an invention of who knows

who but they are actually a reality concerning Being understood as a spiritual being of course We can define our soul as complete but we are on this planet life after life with certain characteristics that affect the person so the affinity that fits between the Twin Souls helps them in their relationship But not only does affinity become part of these two people there must also be a common reality about everything that concerns them and what follows A meeting between Twin Souls is that moment in which an individual becomes aware that the known person is an important and fundamental part of his existence Then there is chemistry between two people and in the chapter we will explain this chemistry in what it consists how it is born and what it creates between two souls that meet Physical attraction only You will read it I will also bring to your knowledge The Mental love a kind of love that is born as an attraction between two souls who respect each other working together in their relationship Knowledge of the soul amalgamated with many aspects that will be alive for life Something very different from the Soul mates who attract feel for eternity Here is a real and mutual love lived during this life *When Two Souls Connect* Steve Gunn,2007-03 Steve Gunn was born in England in 1956 and now lives in Florida where he works full time as a psychic medium and author Although gifted from an early age experiencing a life changing soul connection brought him to dedicate his work to the metaphysical arts and particularly to understanding soul connections As he struggled to find his own answers his clientele increasingly centered on those in soul mate situations many of whom contributed their stories In working on hundreds of cases he realized that most didn't actually fit the traditional thinking and theories leaving many people utterly confused about their connections He recognized the need for a new work to really explain the truth behind the mechanisms of soul connections and set out to create a self help guide with lots of practical advice for anyone experiencing the awesome power of the soul connection *Soul Mates Book* Suzi Obelisk,2015-08-27 Would you like to find your soul mate How do you recognize your soul mate Are you with the right person for you Are you in an unhappy relationship Have you been arguing What if you are attracted to somebody else while you are in a relationship Should you stay or should you go Will you get back together How can you get over a bad break up Will you ever be happy Have you lost somebody you love This book is written in a conversational style so it is easy to read This book can help you to feel better and to move forwards with your life Testimonial This book helped me to understand who soul mates really are Easy to read and full of good ideas to find your soul mate DT 2015 This book is part of Suzi's book series titled *Awaken the Flow Holistic Healing* Vol 1 *Awaken the Flow Holistic Healing* Vol 2 *Long Term Illness Natural Remedies* Vol 3 *Depression Remedies* book Vol 4 *Forgiveness* book Vol 5 *Soul Mates* book Vol 6 *PTSD* book Part 1 *Survival* Vol 7 *PTSD* book Part 2 *Recovery* Vol 8 *Anxiety Natural Remedies* book *His Soul Mate* Paul R.
