When The Dead Cry Out:

The Failures of Ethics John K. Roth, 2015-07-31 Defined by deliberation about the difference between right and wrong encouragement not to be indifferent toward that difference resistance against what is wrong and action in support of what is right ethics is civilization's keystone The Failures of Ethics concentrates on the multiple shortfalls and shortcomings of thought decision and action that tempt and incite us human beings to inflict incalculable harm Absent the overriding of moral sensibilities if not the collapse or collaboration of ethical traditions the Holocaust genocide and other mass atrocities could not have happened Although these catastrophes do not pronounce the death of ethics they show that ethics is vulnerable subject to misuse and perversion and that no simple reaffirmation of ethics as if nothing disastrous had happened will do Moral and religious authority has been fragmented and weakened by the accumulated ruins of history and the depersonalized advances of civilization that have taken us from a bloody twentieth century into an immensely problematic twenty first What nevertheless remain essential are spirited commitment and political will that embody the courage not to let go of the ethical but to persist for it in spite of humankind's self-inflicted destructiveness Salvaging the fragmented condition of ethics this book shows how respect and honor for those who save lives and resist atrocity deepened attention to the dead and to death itself and appeals for human rights and renewed spiritual sensitivity confirm that ethics contains and remains an irreplaceable safeguard against its own failures

When Hell Fails Afolabi Ehikioya, 2014-10-17 WHO NEEDS TO READ THIS BOOK PREACHERS There is a wealth of thought provoking insight in understanding the subject title Hell which has never be mentioned before nor being in print We welcome you to this understanding most especially because of the indebtedness you owe to the flock seeking the truth TEACHERS Those who are doctrinally incline will find this as a resource to advance the teaching to their students and learners SEASONED BELIEVERS There is never enough of growth when it comes to zeal as a seasoned believer the search for knowledge is limitless This book will challenge your thought in seek more truth on this subject NEW CONVERTS The scare of Hell is one good reason why every new convert will develop interest in understanding what hell is all about THE UNSAVED This book is very unique to every unsaved individual who for the knowledge of purpose might gain access to the love of God It produces the plan of salvation to the unsaved and the truth to eternal redemption of their souls
