

# THE WITCHING HOUR

*Between 3 & 4 AM is known as The Witching Hour. It is the time when the veil between the worlds is the thinnest.*

*Spirits, spirit guides, and messages from the other side can come through strongly during this time.*

*If you wake up between 3 & 4 AM, try to center and clear your mind to see what messages you are being sent.*

Anne Rice Jennifer Smith, 1996-09-30 Anne Rice's fame rests on her supernatural tales but she is far more than a horror novelist She goes beyond the genre by changing the classic horror stories into myths fairy tales and nightmares in order to explore philosophical questions of life death evil and the meaning of existence This is the most up to date analysis of her work and includes individual chapters on each of her vampire witch and mummy novels including her most recent *Memnoch the Devil* 1995 A perfect companion for students and Anne Rice fans this study also features a biographical chapter and a chapter which discusses her use of the supernatural horror and fantasy genres Smith shows how Rice's five vampire novels interweave to form a complete mythology a layered universe with its own history and rules in which her characters act out the question of what it means to be human in an increasingly inhuman world In the *Three Witches Chronicles* Smith shows how Rice explores the meaning of power sexuality family and womanhood in the 20th century Each novel is examined in a separate chapter with subsections on point of view plot character theme and literary device Each novel is also examined from an alternative critical approach such as psychological myth and feminist criticism which offers the reader an alternative perspective from which to read the novel A complete bibliography of Rice's work general criticism and biographical sources and listings of reviews of each novel complete the work For fans and students this is the perfect companion to Anne Rice's fiction and is a necessary purchase by secondary school and public libraries

**The Living Drama** Nellie Burget Miller, 1924 This study will endeavor to present in simple and concise form a survey of this continuous dramatic movement from its earliest recorded expression to contemporary moments under a single cover Since to know thoroughly the dramatic output of any one period might

command the industry of a lifetime the task is a colossal one and precludes any pretense at completeness the treatment is suggestive rather than informative and should be supplemented by a study of the plays indicated under each section After all the important thing is not the painful piling of fact upon fact but gaining an intelligent working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook s Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure *Illinois Magazine* ,1916 Visual Education ,1920 *Pearson's Magazine* ,1911 Vol 49 no 9 Sept 1922 accompanied by a separately paged section entitled ERA electronic reactions of Abrams **Ainslee's** ,1908 At the New Theatre and Others Walter Prichard Eaton,1910 **Loÿs, Lord Berresford** Duchess,1883 The Theatre ,1908
